

APPLICATION TO ENTER FLIGHT SCIENCE

- 1) Apply to become a Reedley College student [here](#). Students will receive a college ID number and an email log-in within a few days via personal email.
- 2) Apply for and receive an FAA Medical certificate (see *FAA Medical online* document)
- 3) Print the last page of this form, fill it in completely, and submit it to the Flight Science Program Coordinator. A scanned (or clear and complete cell phone picture) of this completed form can be emailed. Hard copy forms may be mailed or submitted in person.

Send forms to: jaimel@reedleycollege.edu

NOTICES to STUDENTS:

- A. Flight Science students must read, understand, and follow:
 - a. Reedley College Catalog policies applicable to all students
 - b. Reedley College Catalog policies that apply to Flight Science students
 - c. Policies in the latest version of the Student Handbook for Flight Science
 - d. Any additional documents provided by Reedley College and/or posted to the Reedley College Flight Science web page. The latest version of documents are posted on the [Reedley College Flight Science web page](#). This includes, but is not limited to the following documents:
 - 01 Instructions to Enter Flight Science (this document)
 - 02 Application to Enter Flight Science
 - 03 Student Handbook
 - 04 FAA Medical
 - 05 Financial Aid Guidebook
 - 06 VA Benefits
 - 07 Course Progression and Costs
 - 08 Eligibility to Flight Train in the U.S.
 - 09 College Catalog Excerpt
 - 10 Paying for Flight Lab Costs
 - 11 Payment and Refund Policy
 - 12 Reality Check
 - 13 Prepare to Fly After Degree Acceptance
 - 14 Equipment and Books
 - 15 Acceptable ID for Airport Security Badge
 - 16 Degree Brochure

Students with questions surrounding these documents may contact the Flight Science Program Coordinator.

- B. Prior to taking a Flight Lab course, students must:
- a. Meet Federal Aviation Administration (FAA) medical qualifications
 - b. Be able to read, speak, write, and understand the English language
 - c. Provide Transportation Security Administration (TSA) proof of eligibility to receive flight training
 - d. Meet the requirements for and receive an airport ID badge. To receive this ID badge, students must pass a criminal background check and hold a state drivers license
 - e. Provide financial capability to cover flight training costs
 - f. Have access to a reliable vehicle to drive to/from classes at Reedley College and flight labs at the Fresno airport
- C. **Students using VA benefits:** The number of new students using VA benefits that may enter this program is limited each semester. This number may vary by semester and is based on current U.S. Department of Veteran's Affairs policies. Students planning on using VA benefits will be notified if they can enter the Flight Science degree using VA benefits. See *VA Benefits* online document for more details.
