

Mechanized Agriculture Program *Equipment Technician Program*

Program Orientations

Monday, October 16th, 2017 @ 6pm in LSH 1

Tuesday, November 28th 2017 @ 6 pm in LSH 1

Students should bring their Student ID # if they have one.

All students wishing to enroll in a MAG class for the first time **must attend one orientation session**. These orientations will take approximately 2 to 2.5 hours.

The following will be discussed / accomplished at the MAG orientation:

- Program entrance requirements
- Options for course sequencing
- Aptitude testing
- Program costs
 - Uniforms
 - Text and binder materials
 - Safety equipment
 - On-line training modules
 - AC Certification and AED Testing
- Program requirements once admitted and enrolled
 - Classroom and shop
 - Study hall tutorial
 - Training modules
- Scholarship opportunities
 - Cat Scholars
 - Reedley College Scholarship opportunities
 - Grainger "Tools for Tomorrow"
