6 SUMMER/FALL 2024 CLASS SCHEDULE

ENROLLMENT STEPS

1. APPLICATION/ADMISSIONS

The first step is to complete an application for admission. Applications are available online at www.reedleycollege.edu > Apply Now, located on the right side of the page. Computers with internet access are located in the web room next to Admission and Records in the Student Services building.

2. ACTIVATE YOUR SELF-SERVICE AND SCHOOL EMAIL ACCOUNTS

Activate your Self-Service Student Account at www.reedleycollege.edu > My Portal. New, former, and returning students, please allow 2-3 business days after submitting your application for admission.

3. ORIENTATION

Participate in a Reedley College orientation. Attend the orientation online at <http://www.reedleycollege.edu/getting-started/Orientation.html>.

4. TESTING

Math and English placement tests are no longer required under AB 705 legislation. For students whose first language is not English, students can take the English for Multi-Lingual Students (EMLS) placement test to determine which course is most appropriate for their skill level.

5. COUNSELING AND ADVISEMENT

Meet with a college counselor. A Reedley College counselor can help take the guess-work out of selecting classes and will help you plan your educational path. Make an appointment online at <https://www.reedleycollege.edu/student-services/counseling/index.html>.

6. FINANCIAL AID

If you need financial assistance, Reedley College is committed to helping you obtain financing for your education. For those that qualify, Financial aid includes scholarships, grants, loans, and on-campus employment. Visit the Reedley College Financial Aid Office at www.reedleycollege.edu/financialaid. Financial Aid applications are available online at <https://studentaid.gov/h/apply-for-aid/fafsa>.

7. REGISTRATION

Register for classes. Students can register online at www.reedleycollege.edu, in person at the Admissions and Records Office or at Reg-To-Go at their high school. The fall semester begins in mid-August and ends in mid-December. The spring semester starts in early January and ends in mid-May. Summer sessions begin in June and end in late July and early August.

8. PAY FEES

Pay your fees within 48 hours of registering for classes so you don't get dropped! If you receive financial aid, you still need to make sure that your fee balance is paid. You can pay your fees at the Business Services Office window in the Student Services building or online on Self-Service.

9. BUY YOUR BOOKS AND PARKING PERMIT

Bring your schedule, and purchase your books at the Bookstore. If you plan to park on campus, parking permits are \$30 per semester, and \$20 during the summer and may be purchased in the Business Services Office in the Student Services building or in the Bookstore.

10. STUDENT EDUCATIONAL PLAN (SEP)

Meet with a counselor to develop a semester-by-semester student educational plan (SEP) based on your educational and individual goals.

11. FOLLOW-UP APPOINTMENT

After developing your SEP, make a follow-up appointment with a counselor to discuss certificates, degrees, majors, and to revise and complete your SEP.

12. ATTEND CLASS

Go to class! If you miss the first day of class, your seat may be given away to another student!

Congratulations!

By choosing Reedley College, you have taken the first step toward building a successful future. The college offers a wide range of educational programs, all designed to offer you the necessary skills to make your educational goals a reality.

Mission Statement

Reedley College provides an accessible, student-centered educational environment featuring high-quality learning opportunities. We offer basic skills enhancement, associate degree programs, career technical education, and transfer-level courses as an integral component for life-long learning within a diverse local and global community.

ADMISSIONS

You are eligible to apply for admission to Reedley College if you meet one of these requirements:

- are at least 18 years old, or
- have graduated from high school, or
- are a junior or senior in high school and have the permission of your parents, high school counselor, and principal.

See page 7 of this schedule for registration and payment of fees information. Refer to the calendar on page 3 of this schedule for important dates.

Applying for Admission

If you have never attended Reedley College (new or transfer), or have been away for two ungraded semesters or more (former), you must apply online at www.reedleycollege.edu. Students who have been continuously enrolled are not required to complete an application.

Student Success/Matriculation

Every student should have an educational goal, a reason for going to college. Matriculation is the process that allows the college and the student to form a partnership which helps you attain your goals. We ask you to commit yourself to an educational objective and we will commit ourselves to helping you succeed. The components of matriculation are as follows:

Matriculation Exemptions

Certain students may be exempt from several components of matriculation including assessment, orientation, and counseling/ advising.

A student may be exempt from participation in assessment if the student meets the following criteria:

- The student has submitted evidence (e.g., official grade report or transcript) which provides verification of satisfactory completion of the college level prerequisite course; or
- the student chooses not to participate.

A student may be exempt from participation in orientation and/ or counseling/ advising if the student meets two or more of the following criteria:

- The student chooses not to participate;
- the student has completed 12 or more transferable units;
- the student has completed an associate degree or higher;
- the student has certain educational goals:
 - a. to maintain a certificate or license;
 - b. personal development (intellectual, cultural); or
 - c. to complete credits for a high school diploma or G.E.D.
- For a Matriculation Exemption form, contact the Counseling Office or Testing Center.

10 SUMMER/FALL 2024 CLASS SCHEDULE

English/Math Placement Test

ESL (English as Second Language) Self Placement:

The law begins to apply for ESL students in Fall 2020. For now, existing ESL placement processes will still be administered. ESL Guided Self Placement questionnaire is provided by the testing center by appointment only. This is not a "Pass or Fail" questionnaire/test, this questionnaire will determine what ESL level you can take out of the six ESL levels Reedley College offers based on your English language abilities.

To set an appointment [click here](#).

Testing Services no longer offer the following services:

English/Math Placement Test

AB705 is a law signed by Governor Brown in October 2017 that went into effect January 2018 and is required to be implemented starting in the Fall 2019 semester for students with transferring to a four-year institution as a goal. The law is intended to benefit students by shortening their time to degree completion by using more effective, comprehensive placement measures (vs. assessment tests—Accu-placer), such as high school transcripts, GPAs (Grade Point Average), individual course grades, and/or other methods of guided placement. The law also provides students who have transfer as a goal the opportunity to place directly into transfer-level coursework.

Prerequisites

Prerequisite courses must be completed with a "C" (2.0) grade or better prior to enrolling in the next level course. See course listing to determine whether a particular course has any prerequisites. A student may challenge a prerequisite under certain conditions (see "Prerequisites challenge procedures" on this page). Contact the Admissions and Records Office for the prerequisite challenge form and details on the conditions that apply.

- Students currently enrolled in courses that satisfy a prerequisite will be allowed to register in the next level course. However if a "C" grade or better is not achieved, students will be dropped from the higher level class.
- If you have met prerequisites through the assessment process or by completion of the required course, you may proceed to use the online (Self-Service) registration system.
- If you believe that you have met the prerequisite through some other means (e.g. completion of the prerequisite course at another college), you must see a counselor BEFORE registration to obtain a prerequisite clearance. You must have your college and/or high school transcripts on file or in hand prior to seeing your counselor for prerequisite clearance. Once the prerequisite has been cleared, you may use the online (Self-Service) registration system to register for the course(s).

Advising

Advising is available to all students. Results from placement tests may be used as part of the multi-criteria process to assist counselors in determining appropriate course placement. First-time, full-time, or degree-seeking students will be advised prior to registration. A student educational plan (SEP) will be partially developed at this time. The SEP will be reviewed and fully developed during the first semester of attendance. It is the student's responsibility to contact their counselor and schedule an appointment to complete their SEP. Online advising is also available via the Reedley College website at www.reedleycollege.edu.

Prerequisite Challenge Procedures

A prerequisite challenge requires written documentation, explanation of alternative course work, background or abilities which adequately prepare the student for the course. A Prerequisite/Corequisite Challenge Form may be obtained from the Admissions and Records Office, and should be returned to the Admissions and Records Office. Reasons for filing a prerequisite/corequisite challenge may include one or more of the following:

1. A prerequisite/corequisite is not available.
2. The prerequisite/corequisite was met at another institution.
3. The student has the documented knowledge or ability to succeed in the course without meeting the prerequisite.
4. The student believes the prerequisite/corequisite is discriminatory or being applied in a discriminatory manner
5. The prerequisite is not necessary for success in the course.

Prerequisite challenge requests must be received prior to the first day of the term to which they apply. Upon completing the prerequisite challenge form, the student may enroll in the challenge class by presenting this form at registration. If the challenge is not upheld, the student will be dropped from the class.

Class “WAIT LIST” Requirements

When you are unable to find an open section of a course you wish to take, you have the option of being placed on a “WAIT LIST” for a specific section of that course. Please note that the following rules apply:

1. Students may add their name to any available “WAIT LIST” up to the last day of registration prior to the beginning of the term.
2. Students will be added to the “WAIT LIST” on a first-come, first-served basis.
3. Students cannot be placed on a “WAIT LIST” prior to their registration appointment date.
4. Students on a “WAIT LIST” will have first priority for any seats in a “full” class that may subsequently become available during the first 20% of the course PROVIDED that they attend each and every class meeting (for 18 week semester courses, this is the first 3 weeks of class).
5. “WAIT LIST” will be available only for current class sections that are “full” (that is, the class has reached its “maximum class size”). No “WAIT LISTS” will be available for “canceled” class sections or class sections that are not yet “full.” Not all classes have wait lists.
6. Students cannot remain on a “WAIT LIST” for a section of a course that will cause a time conflict with a course section in which you are already enrolled. You will be dropped from the wait list.
7. Students cannot be placed on a “WAIT LIST” for a section of a course when you are already enrolled in another section of that same course.
8. Students cannot be on more than one “WAIT LIST” for the same course.
9. The Admissions and Records Office will regularly monitor all classes with existing “WAIT LISTS” for student drops. When an open space on the roster becomes available, the top student on the wait list will be moved into the class and notified by email of this action. We will regularly monitor wait lists up until 3 days prior to the beginning of the term. Students who are added to a “WAIT LIST” during the last 3 days prior to the beginning of the term, along with other students still remaining on the “WAIT LIST,” will be informed of their status at the first class meeting.
10. On the first-day of class, instructors will determine the number of openings available in the class, and then offer spaces to students who are on the “WAIT LIST” (providing they are present in the class) in the order in which their names appear on the list. The student is responsible for officially adding the class within published registration dates. Students have until the Friday of the week in which they are added to the class to pay all fees.
11. After the “WAIT LIST” for the class is exhausted, additional openings, if any, will be filled by the instructor in accordance with existing college and district policy.

Continuing Student Registration

Continuing students may register for classes after completing the following steps:

- See the registration information on page 7 of this schedule.
- Take the registration form and meet with a counselor or advisor for program planning assistance. After your meeting, the counselor will sign your registration form.

- Register on Self-Service (www.reedleycollege.edu) or at a designated location. The registration form must be signed by a counselor if a student is on academic/progress probation.

Ways to Register

Students may register online using Self-Service (www.reedleycollege.edu) or at Reedley College.

Late Registration

The last day to register for full-term Fall 2024 classes is August 30, 2024.

During the first week of instruction, the Admissions Office hours are Monday through Thursday 8:00 a.m. to 6:00 p.m., Fridays 8:00 a.m. to 5:00 p.m. Normal hours will be 8:00 a.m. to 5:00 p.m. for the remainder of the semester.

Proxy Registration

The federal Family Education Rights and Privacy Act makes it illegal for the college to release a student’s confidential educational records, including registration information, to anyone without the written permission of the student. Therefore, if you are unable to register for yourself, you may either register at a later date or have someone else substitute for you provided the following procedure is observed.

YOUR PROXY must have a written statement signed by you authorizing him/her to register on your behalf. It is necessary that your authorization be made on the form provided by the college; however, if you prepare your own statement, it must contain certain specific information. Contact the Admissions and Records Office for details at (559) 494-3023.

YOUR PROXY should also have your registration permit, a list of classes you wish to take (including several alternatives) and sufficient funds to pay the necessary fees listed under Enrollment Fees on page 130.

Accuracy of Student’s Schedule

Reedley College does not keep your registration forms on file. Once your transaction has been processed and completed, all of your documents will be returned to you.

It is your responsibility to keep all registration materials in a safe place and to bring them with you if you have a question or concern about your schedule. We will be unable to help you without your documents.

Please be sure to:

1. Double-check all the information on your class schedule before you leave the registration area.
2. Make sure that your materials have been date-stamped and initialed by an Admissions and Records staff member.
3. Prepare a personal file in which to keep all of your processed forms.
4. Should you discover an error after you leave our office, bring your date-stamped documents with you to the registration desk for review and assistance.

12 SUMMER/FALL 2024 CLASS SCHEDULE

MANAGING CLASSES WITH SELF-SERVICE

Adding and Dropping Classes

Adding a Waitlisted Class:

- STEP 1: If you are on a waitlist, it will remain on your schedule until you receive permission to register by email. Be sure to check your student email daily as you will have four days to add the course if granted permission.
- STEP 2: Before the permission expires, make sure you go back into your schedule and register for the class. To access your schedule, log in to MyPortal and access the Self-Service app. Under the Academics tab, select Register for Classes.
- STEP 3: Click the register button.

Adding a Class After it Begins

- STEP 1: If you are still on the waitlist by the time the class starts or just need to add a class after the semester has begun, add the class to your schedule in Self-Service. Then, either sit in the class or, if the class is online, email the professor on the first day of the class. The professor's email can be found in Section Details. Make sure to give the professor your student ID#, along with the course and section number you wish to add.
- STEP 2: If there is availability, the professor will authorize you to add the class. You will know you are authorized once you see the 'Authorized for Add' message in Self Service. You will now have the ability to register for the class by selecting 'Register'. TIP: Make sure you know your ID number when asking a professor to join their class. They will need it to give you authorization to add the class. TIP: If you are on the waitlist, let your professor know. You will have a higher priority over other students.

Dropping a Class

- STEP 1: If you need to drop a class, go back into your schedule and press the blue 'Drop' button. We recommend that you find or register for the replacement section before you drop the class. Note: If you are dropping a class but don't plan to replace it with another, make sure to speak to a counselor first. Dropping a class may affect your financial aid and/or Student Educational Plan. If you don't drop by the drop deadline, you may be required to pay for the course. TIP: If you are dropping a course due to a time conflict, select 'View other sections' to see what other times the course is offered.

CELA 303 ALTERNATIVE GRADING PRACTICES (0 Units)

What do grades really measure? Is there a more accurate indicator of our students' skills and abilities? The traditional grading system used in the U.S. is often more a measure of privilege or personality than of learning. It also creates a competitive, chilly course climate that can undermine efforts to build community with students and positions teachers as gatekeepers, as opposed to partners. In this course we will investigate alternative strategies for indicating student learning that is more equitable, more accurate, and more effectively promote student agency and motivation. We will also discuss some simple changes instructors can make to their syllabus policies and course design that can increase grading equity and student engagement with the learning process.

CHEM 29A ORGANIC CHEMISTRY LABORATORY I (2 Units)

Chemistry 29A is the first of two laboratory courses in organic chemistry, and as such it is primarily concerned with introducing the tools and techniques that chemists use to investigate the nature of organic compounds. Students will learn a variety of isolation and purification techniques such as recrystallization, liquid-liquid extraction, distillation (simple, fractional, steam), and chromatography (solid and gas phase). Students will also synthesize organic compounds and characterize their purified products using melting point determination and FTIR analysis. Gas chromatography, boiling point, refractometry, polarimetry, and NMR will also be utilized in this course.

ECE 13 EMERGENT LITERACY (formerly CHDEV-47) (3 Units)

This course is designed for current students, future early childhood educators, those who are considering teaching as a profession, and prospective literacy tutors. Students will develop competency in emergent literacy strategies that are essential for delivering culturally relevant reading instruction to emergent young readers, children from birth through age 8. Students will study and gain knowledge of research-based principles and practices for providing young children with a strong foundation in emergent literacy in early reading, writing and oral language within a developmentally-appropriate approach. The theory and research is translated into practical strategies, assessment materials and preparation of a rich literacy environment.

EDUC 10 INTRODUCTION TO TEACHING (3 Units)

This course introduces students to the concepts and issues related to teaching diverse learners in contemporary schools, Kindergarten through grade 12 (K-12). Topics include teaching as a profession and career, historical and philosophical foundations of the American education system, contemporary educational issues, California's content standards and frameworks, and teacher performance standards. In addition to class time, the course requires a minimum of 45 hours of structured fieldwork in K-12 classrooms that represent California's diverse student population, and includes cooperation with at least one carefully selected and campus-approved certificated classroom teacher. Students need to do their observation in a classroom that is in line with their degree plans. Single subject majors (History, Math, English, etc.) need to observe in subject area at high school or junior high. This course requires verification of measles vaccination and pertussis, freedom of tuberculosis, and verification of flu vaccination within the past 12 months.

MFGT 11 INTRODUCTION TO MANUFACTURING (12 Units)

This course is an aggregate of techniques that explore graphic interpretation, technical sketching, reading pictorial drawings and dimension systems. Course instruction will include studies in basic electrical codes, electrical circuit wiring, electrical troubleshooting and repairs. This course will highlight a combination of basic gas and arcwelding techniques. Class activities include safety procedures needed to work in school and industrial shops, oxyacetylene welding of steel sheet and pipe in various positions, brazing, flame cutting, shielded metal arcwelding (stick) and gas metal arcwelding (MIG) of various joint designs with a variety of electrode types in flat and horizontal positions. There will also be a brief intro into flux cored arcwelding and gas tungsten arc welding (TIG). This course will explore basic shop practices, hand tools, measurement systems, material selection and testing, cutoff machines, basic lathe and milling machine operation and introduction to CNC turning and milling.

MECHANIZED AGRICULTURE

MAG 19 WORK EXPERIENCE EDUCATION, MECHANIZED AGRICULTURE (1-14 Units)

Work experience internship for mechanized agriculture students. Students will be monitored and advised through this class. Documentation of work progress will be provided to the instructor by the student and the work supervisor. Students may learn specific and general career skills in preparation for more advanced responsibilities upon completion of the educational program. The student must be employed or serving as a volunteer with an entity which is approved by the instructor. Employer must agree to participate in this internship, provide appropriate skills instruction and supervision, and submit a performance evaluation to the college.

WILDLAND FIRE

WLF 10 WILDLAND FIRE-BASICS (FORMERLY NR 98) (5 Units)

This course will prepare students for basic employment as a wildland fire fighter with State and Federal agencies. Successful completers may earn basic National Wildfire Coordinating Group course certificates for ICS I-100, S-130, S-190, L-180 and IS-700. Students will have the opportunity to experience the physical training standards as well as the physical demands of the job in a field-work setting. Additionally, this course provides introductory level training for the use of chainsaws in the forestry and natural resources field. Emphasis is placed on defining and applying chainsaw safety standards, maintenance and function of personal protective equipment (PPE), identification of chainsaw parts, maintenance, tuning, and tactical application of techniques required for brushing, limbing, bucking, and falling trees. This course will also cover the development of goals and skills required to secure a job in the natural resources field including job search, resume/cover letter development, interviewing and motivation. This course is also a seminar on workplace issues within natural resources addressing elements of leadership, communication skills, work ethic, human behavior of individuals and groups, team building and dynamics, decision-making along with rating and evaluation, supervision skills of controlling work force and conflict resolution.

ACADEMIC REGULATIONS

Attendance

Students are expected to attend all class meetings for which they are enrolled. Excessive absences may result in the student being dropped from his/her class.

It is the student's responsibility to ensure that he/she is dropped from the class. Students who do not attend the first class meeting of the semester may be dropped by the instructor. However, to assure no grade penalty for the course, students must confirm their drop on Self-Service or an add/drop within the appropriate time frame. Students on a WAIT LIST must attend the first class meeting to ensure instructor permission to add the class is obtained.

Instructional Minutes Per Hour and Class Break Time

For classes lasting longer than 90 minutes on a given day, the instructor must provide a ten-minute break after the first 100 minutes, and may schedule additional break time amounting to ten minutes per each additional hour thereafter.

Application for Graduation/Certificate of Achievement

Students who are planning to receive their Associate Degree, or a Certificate of Achievement, must file an application for the degree or the certificate on Self-Service. Students must complete a minimum of 30 units prior to applying for graduation. The deadline to apply for the annual spring commencement ceremony is in March. The application must be signed by a counselor.

Pass/No-Pass Grading

Most courses are offered on a pass/no-pass grading basis or the traditional grading basis. This option is not recommended for courses in one's major. To change a class to or from the pass/no-pass grading basis, the student must complete the pass/no-pass line-item on the program change form. Program change forms are available in the Admissions Office. The deadline to change a class to/from pass/no-pass grading basis is no later than the last day of instruction. A maximum of 15 units of baccalaureate level courses may be taken on a pass/no-pass basis. These units will be allowed toward an A.A. or A.S. degree. Units taken as pass/no-pass will not be used when determining a student's grade point average. Students planning to transfer to a four-year college or university should be aware of the policy of that institution regarding transferability of courses with pass/no-pass grading.

Dropping a Class

It is the student's responsibility to officially drop a class in which he/she no longer wishes to be enrolled. The last day to drop a class is the 50% completion point of the class. The exact date is available from your class instructor. Courses may not be dropped after this date, unless there are extenuating circumstances as approved by the Admissions and Records Office Manager. Any course carried past the ninth week (50% point), will receive a letter grade.

To withdraw from a class, a student may drop online by logging onto the Self-Service at www.reedleycollege.edu and click on the Self-Service link after logging in to My Portal. A student may also complete a program change form and return it to the Admission Office for processing. There will be no grade entered on a student's record for drops occurring prior to 20% of the course length. A grade of "W" will be entered on the student's record for drops occurring between the 20% and 50% point of the course length.

Graduation Requirements

Graduation requirements for an Associate Degree from Reedley College may be found in the college catalog, in the Counseling Office, and on page 133.

It is the responsibility of the student to consult a counselor regarding the proper sequence in which courses should be taken to satisfy degree and graduation requirements.

Pre- and Co-Requisites

Board Policy 5202(a) permits students to challenge pre- and co-requisites. Information and forms regarding the prerequisite challenge procedure may be obtained from the Admissions and Records Office.

Transcript Requests

Students may request transcripts online at www.reedleycollege.edu, scroll over Admissions & Aid and click on Order Transcripts. All students are entitled to two free lifetime copies of their transcripts; additional copies are \$5 each and must be paid for in advance. Official transcripts will be mailed directly to the designated recipient(s). Be sure the name and address of the recipient(s) is accurate and complete.

Transfer Requirements

With careful planning, a student can complete their freshman and sophomore course work at Reedley College and be eligible to transfer to a four-year college or university. Students are advised to become familiar with the current catalog of the college to which they plan to transfer. It is also recommended that students work closely with their counselor in order to fulfill transfer requirements to the college of their choice. Additional transfer information may be found in the Reedley College catalog or in the Transfer Center.

Checking Grades Online

Students may review grades or unofficial transcripts on Self-Service at any time. Go to My Portal at www.reedleycollege.edu and login to Self-Service.

CAMPUS SERVICES

Academic Support Services

All three centers will continue to have modified versions of our in-person schedules while providing tutoring via Zoom. Check the website and individual Canvas pages for most recent updates to services.

Learning Center

Located in the Library building, room 111

Generally open Monday through Thursday from 8:00 a.m. to 5:00 p.m., and Fridays from 8:00 a.m. to 4:00 p.m. The Learning Center provides free individual and small-group tutoring, facilitated study groups and organized study group sessions. Learning assistance (tutoring) is available in most subject areas; assistance is also available for basic computer skills needed for using email, Web Advisor and Canvas. A staff of qualified and trained peer tutors is ready to help students strengthen subject matter knowledge and develop skills that lead to resourceful, life-long learning. For more information, stop by or call (559) 494-3058.

Math Center

Open Monday and Wednesday 9:00 a.m.-4:00 p.m., Tuesday and Thursday 9:00 a.m. to 8:00 p.m., and Fridays from 9:00 a.m. to 1:00 p.m. For help with Math, Computer Science, Engineering, and Physics, the Math Center offers specialized drop-in tutoring to Reedley College students. Students have access to whiteboards, laptops, and free Wi-Fi while using the Math Center. The center provides a math instructor as well as several well-qualified student tutors to assist students with homework and test preparation. Online drop-in tutoring is also available and can be accessed through the college website <https://www.reedleycollege.edu/academics/tutoring-services/index.html>. The Math Center is a great place to learn, study, and get the help needed for success. For more information, stop by or call (559) 494-3000 ext. 3158.

Reading & Writing Center

Located in the Library, room 115

Open in person Monday through Thursday from 9:00 a.m. to 4:00 p.m., and Fridays from 9:00 a.m. to 3:00 p.m. during fall and spring Semesters. The Reading/Writing Center offers tutoring to Reedley College students who need assistance with any college level reading or writing assignments. Our tutors represent a diverse selection of majors, and all have been trained assist students with reading/writing tasks across the curriculum. Students have access to computers and free Wi-Fi while in the Center. We are staffed by a full-time coordinator as well as a staff of trained peer tutors to assist students with homework, research, reading, and writing. Tutoring can be scheduled in weekly small groups, one-on-one, or as email consultations. Appointments can be made via our RC Reading Writing Center Resources site on canvas. To self-enroll in the RC Reading/Writing Center Resources canvas, go to <https://www.reedleycollege.edu/academics/tutoring-services/index.html>, and select Reading Writing Center Resources. The RWC is located in a spacious library wing and is a great place to study and get help with any reading or writing assignments. For more information, stop by or call (559) 494-3000 ext. 3160.

Bookstore

The on-campus bookstores carries textbooks, student parking permit holders, supplies, materials, apparel and other articles of interest to the college community. Snacks, fresh popcorn, and various cold drinks can also be purchased in the bookstore. Additional services offered are year around textbook buyback, online textbook and merchandise ordering at www.bkstr.com/reedleystore/home. Cash, Visa, MasterCard, Discover Card and American Express are accepted with a legal ID. Below are the hours and phone number: (559) 494-3034

Hours: Monday-Thursday, 8:00 a.m. to 4 p.m.,

Friday, 8:00 a.m. to 3:00 p.m.

Additional hours are added during the first two weeks of the semester. Hours during the summer months will vary.

Business Services Office

The Business Services Office is responsible for collecting and disbursing money on the Reedley College campus. This includes collecting fees for parking permits, registration fees, the Tiger One card, Tiger One replacement card, and the disbursement of financial aid and payroll checks. The Reedley College Business Services Office is located in the Student Services Building. Office hours are 8 a.m. to 5 p.m., Monday through Friday. Telephone (559) 494-3042 FAX (800) 643-1753, email rc.bso@reedleycollege.edu.

CalWORKs Program

California Work Opportunity and Responsibility to Kids (CalWORKs) is a program administered by the State of California's Department of Social Services which distributes time-limited cash assistance (including Federal Temporary Assistance to Needy Families (TANF) funds to needy families with children CalWORKs students are referred to the Reedley College CalWORKs Program by their Fresno, Tulare, or Madera County case worker to learn vocational or educational skills and training to help them become gainfully employed.

The Reedley College CalWORKs Program operates as a categorically funded program under the Student Services Division. The Reedley College CalWORKs Program helps students become financially self-sufficient by providing support services to help them achieve their educational goals. Support Services offered through the program to help students succeed include:

- Intensive Academic & Personal Counseling
- Assistance with Registration and Financial Aid
- Assistance with purchasing required textbooks
- Funds for Childcare Costs and Transportation
- Work Study (on-campus jobs)
- Personal & Professional Development Workshops
- Referrals to on and off campus support services

CalWORKs at Reedley College

The Reedley College CalWORKs Office is located in the Center for Student Success2 (across from the Art Center) and it is staffed by CalWORKs Counselors and a Fresno County Department of Social Services (DSS) Job Specialist. The Reedley College CalWORKs Office is open Monday-Friday from 8:00 a.m. to 5:00 p.m. Learn more about us by calling (559) 494-3504 or on the Reedley College website at <http://www.reedleycollege.edu/student-services/CalWORKS.html>

Career Services

Career Services are available to all Reedley College students and alumni. Services include self-assessments, major and career exploration, career counseling appointments, career and employability resources, an online job board, mock interviews, and job development appointments. Additionally, multiple career-related activities, events, and workshops are hosted each year. Please refer to our webpages for more information. Student Employment: <https://reedley.jobspeaker.com/>

Children's Program & Lab School

The Reedley College Children's Program & Lab School offers a NAEYC Accredited high quality early care and education program for children of students and staff members. The center provides six classrooms for children — Younger Infant Classroom (6 Weeks-12 months), Older Infant Classroom (12 months-17 months), Younger Toddler Classroom (18 months- 24 months), Older Toddler Classroom (24 months-36 months), a Full Day Preschool Classroom (3- 5 years) and a Half Day Classroom (3-5 years). The Center is located on the north end of campus at the Center for Early Childhood & Education. Space is limited and waitlist applications to enroll are accepted throughout the semester. The Reedley College Children's Program and Lab School serves as a teaching, research, and demonstration center to provide an opportunity for child development/early childhood & education students to plan, prepare and teach in an early childhood setting under the supervision of ECE instructors. The Reedley College Children's Program & Lab School observes the semester schedule and is closed during campus holidays. For enrollment information contact: (559) 494-3000 ext. 3237 and ask to speak to the ECE Lab School Program Coordinator.

College Assistance Migrant Program (CAMP)

The College Assistance Migrant Program (CAMP) at Reedley College is a federal program funded by the U.S. Department of Education. The program is designed to assist students from migrant and seasonal farmworker backgrounds to succeed at Reedley College. CAMP serves 60 Freshman students from migrant farmworker families each year and offers first-year support services to develop the skills necessary to persist and graduate from college. Students from migrant and seasonal farmworker families receive academic, financial, and career-related support to foster their success. The services provided by the program meet student's social, emotional, and educational needs. Contact the CAMP office at (559) 494-3490 for more information.

Counseling

The Counseling Center provides comprehensive counseling services to assist students toward a successful college experience. Counselors help promote student development and success by coordinating quality services and programs that are focused on students' needs. Counselors provide the following services to students:

Workability III is designed to assist individuals with disabilities with preparing for, finding, and maintaining gainful employment. Reedley College Workability III services include vocational assessments, internships, employment preparation, job development, placement and retention, and academic/disability support. The Workability III program is located in the Disabled Students Programs and Services (DSP&S) office. For more information, contact the Workability III Counselor/Coordinator at (559) 494-3032.

Student Support Services Program (SSS)

The Student Support Services Program is a 100% federally funded TRIO Program serving Reedley College. It is designed to provide enrichment services that will alleviate the educational and social barriers which prevent students with disabilities from succeeding at the post-secondary level. Through the delivery of comprehensive academic, social, and personal services, the Student Support Services Program will promote and increase the retention and transfer rates of Reedley College's students with disabilities. Services include needs assessments, disability management, specialized tutorials, academic enrichment materials, study strategies, learning skills, and social skills development. For more information, contact the SSS Counselor/Coordinator at (559) 494-3032.

Transition to College Program

The Transition to College Program is composed of counseling services and a unit course (DEVSER 240). DEVSER 240 is a one unit course designed to assist students with disabilities in preparing for their initial semester in a community college and navigation of the State Center Community College District campuses, resources and accommodations available for students with disabilities. The course is typically offered during the Summer/Fall semester. For more information please contact the TTC counselor/coordinator at (559) 494-3032.

EOPS

Extended Opportunity Programs and Services (EOPS)

The Reedley College Extended Opportunity Programs and Services (EOPS), is a program administered within the Student Services division. EOPS is a state funded “categorical” program that provides comprehensive support services to first generation college students who come from low-income and educationally disadvantaged backgrounds. “Over and Above” services are directed at students affected by language, social, and economic inequities. The primary objective of EOPS is to assist, guide, and support eligible students in the pursuit of their educational goals. Specifically to complete a Certificate, AA/AS degree program and/or transfer to a four-year university.

Cooperative Agencies Resources for Education (CARE)

The Cooperative Agencies Resources for Education (CARE) is a supplemental component of EOPS and provides educational support services for students who are the single head of household with children and are receiving “cash aid” through the county Temporary Assistance for Needy Families (TANF) program. Students must first meet EOPS program entry requirements and be enrolled as a full time student prior to participating in the CARE program. Student participants are eligible to receive EOPS support services with additional services exclusive of typical services provided. This includes intrusive counseling services and allowances for educationally related expenditures to assist them in completing their educational goals.

Cooperative Agencies Foster Youth Educational Support (CAFYES) NextUp program

NextUp is a component of the Extended Opportunity Programs and Services (EOPS). It offers a case-management approach to providing expanded support services to eligible current and former foster youth who are students within California’s community college system. Services provided by college NextUp programs include, but are not limited to, outreach and recruitment; in-person academic, guidance, transfer and personal in-person counseling; frequent, in-person contacts; career guidance; service coordination; independent living and financial literacy skills support; book and supply grants; work study awards; emergency loans; Unmet Need grants; child care assistance; transportation assistance; meal tickets and/or emergency food support; emergency housing support; health and mental health payments assistance; referrals to health services, mental health services, housing assistance, food assistance and other related services, including, but not limited to, those available through local county agencies.

Food Services/Cafeteria

The Tiger Café provides appetizing food in pleasant surroundings to staff and students. Meals and snacks are available throughout the day. The cafeteria is currently open 7:30 a.m. to 5:00 p.m. Monday through Thursday and 7:30 a.m. to 2:30 p.m. on Fridays. Hours are subject to changes. Summer hours will vary. For further information call (559) 494-3021.

Health Services

Health Services provides nursing assessment ill or injured students. These services include treatment for acute illness, such as ear, nose, and throat infections, urinary tract infections, skin infections, and fungal infections. First aid care, family planning and counseling, pregnancy testing, and blood pressure and diabetes screening are also provided in the health office. Students with a chronic medical condition can make an appointment with the nurse to develop a Health Action Plan in case of an emergency on campus. TB Risk Assessments and TB tests are available year round and the influenza vaccine is offered during the flu season. Hearing and vision tests are available with an appointment. Students needing additional care may be referred to local medical providers for further care at reasonable costs. Medical insurance information is available to students and their families. Timely health seminars and wellness activities are sponsored throughout the year. Telehealth services are also available. All health services are covered by the student health fee, and students are encouraged to make an appointment to see the nurse. Visit our website for information at www.reedleycollege.edu; Health Services is found under “Student Support Services.” Contact the Health Office to make an appointment at (559) 494-3028 or e-mail healthservices@reedleycollege.edu for more information.

Psychological Services

Psychological Services provides confidential, professional counseling services to assist in personal growth, crisis resolution, daily living problems, relationship and family issues, and provides a support network for students with more serious emotional disorders. Services include individual brief therapy, crisis intervention, group therapy, psychological testing, network referral, consultation, and substance abuse counseling. The psychological intern is the advisor for Active Minds Club, a student-run club which aims to increase awareness, education, and advocacy for a myriad of mental health topics relevant to the student body. Psychological services hosts events on topics such as suicide prevention, depression, eating disorders, substance abuse, stress reduction, and sleep hygiene. Telehealth services are also available. Psychological services are covered by the student health fee, and students can request psychological services online or in person at the health office. As a Reedley College student, you also have free, unlimited access to doctors and therapists and on-demand crisis counseling. Register at thevirtualcaregroup.com/reedleycollege to speak to a doctor or therapist today. Please use zip code 93654 when promoted. Email care@thevirtualcaregroup.com with any questions or concerns. For immediate mental health crisis support, please call our 24/7 crisis line at 559-494-3028, and Press Option 3. Visit our website for information at www.reedleycollege.edu; Health Services is found under “Student Support Services”. Contact the Health Office at (559) 494-3028 or email healthservices@reedleycollege.edu for more information.

Pete P. Peters Honors Program

The Honors Program is designed to challenge students with a research-based, integrated curriculum. Their efforts are rewarded through priority registration, transfer agreements at top universities through Honors Transfer Council of California, UCLA TAP (priority admission consideration at UCLA), special honors classes, seminars, opportunities to present at honors research symposiums, field trips, and an opportunity to apply for a \$1,200 scholarship (contingent upon funding) upon successful completion of the program. Students take their choice of honors courses and participate in activities to prepare them for transfer to the best four-year institutions. High school students who have demonstrated exceptional academic achievement and highly successful continuing Reedley College students working towards transferring and seeking additional opportunities are strongly encouraged to apply. Applications open and become available in the fall on the Reedley College website at www.reedleycollege.edu/academics/honors-program/index.html. Students interested in applying to the Reedley College Honors Program must apply in the spring for fall entrance. The priority application deadline is February 1. Late applications may be considered under certain circumstances. For more information, please e-mail Honors Program Coordinator, Deanna Garabedian at deanna.garabedian@reedleycollege.edu.

Library

The role of the Reedley College Library is to support the learning experience for students and instructors. The Library and Learning Resource Center includes a library, Reading and Writing Center, and the Tutorial Center. Library materials are available in a variety of formats. The library houses over 39,000 volumes and is organized according to the Library of Congress classification system. Bibliographic information can be accessed through the innovative online catalog, OneSearch. The library also subscribes to print periodicals and national newspapers. Electronically, students and instructors can access information from a variety of scholarly research databases. The library supports a collection of over 200,000 electronic books that can be accessed online. Over 60 of the library's research databases can be accessed anywhere on campus by clicking "Library" on the Reedley College main webpage (<https://www.reedleycollege.edu/campus-life/library/index.html>). Databases can be accessed from home using single sign-in credentials. In the library, there are computers to use for research and class work. In addition, the library has a limited supply of graphing calculators and laptops that can be borrowed for the semester. Students can also check-out DVD's, books, and audiobooks, and there is in-house borrowing for laptops, headphones, textbooks and course materials, anatomy models, and skeleton/bone kits, as well. Students can use library computers to study and make prints for 0.10¢ a page. There are also photocopy machines, two book scanners, and two study rooms. Library staff and librarians are available all open hours for assistance. Librarians are available for virtual and in-person research assistance.

Residence Hall

Choosing to live on campus is one of the best ways to adjust to college life while building a strong network of friends. The new Residence Hall has separate accommodations for men and women. Also, rooms are available and accessible for students with disabilities. The Residence Hall offers its residents many events and programs that foster leadership and personal growth. Applications are available for fall, spring, and summer on the Residence Hall webpage at www.reedleycollege.edu. For more information on affordable campus housing, contact the Residence Hall Office at (559) 494-3000 ext. 3258.

Student Employment

Employability services are available to all Reedley College students and alumni. Services include an online job posting system (<https://reedley.jobspeaker.com/>), job preparation workshops, individualized appointments, mock interviews, job search resources, and an annual job, internship, and volunteer expo. Posted jobs include both on-campus, student employment, and federal work study positions, as well as off-campus positions that include part-time, full-time, temporary, intern, and volunteer positions. For more information, contact the Reedley College, Career & Employment Center (CEC) at (559) 494-3543. Interested employers can also contact cec@reedleycollege.edu for job posting information.

Student Support Services (SSS) Program

The Student Support Services (SSS) Program is a federally funded TRiO program that serves first generation, low-income or disabled students currently enrolled at Reedley College. The SSS program also fosters an institutional climate supportive of the success of students who are limited English proficient and students that are traditionally underrepresented in postsecondary education. SSS provides high quality programs and services that maintain academic support and guidance to help Reedley College students meet the challenges in obtaining an AA/AS degree and/or Certificate of Achievement and transfer. The goal of the program is to increase academic success including retention, higher GPA, graduation or certificate completion, and facilitating transfer to a four-year college. Services include academic advising, career planning, financial aid advising and literacy, transfer assistance, priority registration, and lots of encouragement. The SSS program participants will have the opportunity to be involved in activities such as semester kick-off events, student success workshops, college campus tours, and a graduation recognition event. The program strives to provide extra support and personal attention. Information and applications for the Student Support Services program are available in the CSS-1 building behind the bookstore. Contact the SSS program at (559) 494-3000, ext 3526.

Study Abroad

Study Abroad Students at Fresno City College, Reedley College, Madera Community College, and Clovis Community College may take advantage of international study programs offered by the college district. The international programs allow students an opportunity to study in other countries while earning transferable college credit, as well as enable them to gain a first-hand understanding of other regions and cultures of the world. As student safety is a priority, all of the planning for future study abroad programs will depend on the national and international travel and health advisories.

Past programs have included:

- Costa Rica/Panama
- Denmark
- Viet Nam
- Italy
- Mexico

For more information, visit the website at: <https://www.sccd.edu/departments/educational-services-and-institutional-effectiveness/international-education/index.html> or contact Dr. Margaret Hiebert by e-mail: margaret.hiebert@sccd.edu.

Testing Services

Testing Services provides a variety of testing opportunities to prospective and current students. Students are required to have a college student ID number and present a photo ID to verify a student's identity to take any test. Testing Services administers the following services free of charge to Reedley College students:

Make-up testing: For individual students, registered at Reedley College, who are unable to take their tests in the classroom because of special circumstances (illness, emergency, Student Disability Services, etc.).

DSP&S (Disabled Student Programs and Services) Test Proctoring services are available for students who have an active Disabled Student Programs and Services (DSP&S) file and have been approved to receive accommodations when taking a class exam.

ESL (English as Second Language) Self Placement:

The law begins to apply for ESL students in Fall 2020. For now, existing ESL placement processes will still be administered. ESL Guided Self Placement questionnaire is provided by the testing center by appointment only. This is not a "Pass or Fail" questionnaire/test, this questionnaire will determine what ESL level you can take out of the six ESL levels Reedley College offers based on your English language abilities.

To set an appointment [click here](#).

Testing Services no longer offer the following services:

English/Math Placement Test

AB705 is a law signed by Governor Brown in October 2017 that went into effect January 2018 and is required to be implemented starting in the Fall 2019 semester for students with transferring to a four-year institution as a goal. The law is intended to benefit students by shortening their time to degree completion by using more effective, comprehensive placement measures (vs. assessment tests—Accuplacer), such as high school transcripts, GPAs (Grade Point Average), individual course grades, and/or other methods of guided placement. The law also provides students who have transfer as a goal the opportunity to place directly into transfer-level coursework.

Tiger One Card

For your convenience, safety and security of funds, the Tiger One Card is available for free at the Reedley College Business Services Office. This card is used in the Reedley College Cafeteria, Computer Lab for printing, Library for copies, student body card, and can be used for discounts at local businesses. The Tiger One Card needs to be renewed each school year. For additional details contact the Student Activities Office or Business Services Office. For more information about the Tiger One Card, please call (559) 494-3000 ext. 3678 or (559) 494-3042.

Transfer Center

The Transfer Center assists students with the transition from Reedley College to a baccalaureate level college or university. The center provides a variety of informational resources for students about the Universities of California, California State Universities, California private colleges, and many out of state colleges. The Transfer Center is located in FNR 1.

Upward Bound

The Reedley College Upward Bound Programs are highly successful, precollege programs for predominately low-income and first generation college bound high school students. Reedley College has two Classic Upward Bound Programs: PRO and SD, serving 150 students. Students must attend Selma or Dinuba High School. The general purpose of Upward Bound is to generate excitement and increase the rates of college enrollment among high school students.

Upward Bound Math and Science

Reedley College's Upward Bound Math and Science Programs are designed to strengthen the math and science skills of the students in the program. Reedley College has two Math and Science Upward Bound Programs serving 125 students. MS1 is for students attending Reedley, Sanger, or Fowler High Schools and MS2 is for students attending Selma, Dinuba, or Kingsburg High Schools. The goal of these programs is to help students recognize and develop their potential to excel in math and science and to encourage them to pursue post-secondary degrees in math and science fields.

Veterans Center

The Veterans Center is located inside the Reedley College Student Center in STC 105. The goal of the center is to provide a welcoming environment for all who visit and to provide resources to assist veterans, military members, and their families to adjust, navigate and succeed at Reedley College. The center provides student veterans a place where they can meet other veterans in a comfortable, family atmosphere and offers a wide array of services to our veterans to help their academic and personal success as they transition back to civilian life. Services available in the Veterans Center include:

- Information and assistance in applying for financial aid and scholarships
- Connecting students to VA benefits
- Guidance and referral assistance to support programs
- Veterans Club meetings
- Lounge area

Reedley College is approved by the Department of Veterans Affairs as an institution of higher learning for veterans and veterans' dependents who are entitled to education benefits. Students who believe they are eligible for education benefits are encouraged to apply as early as possible.

For additional information, go to the Reedley College website at <http://www.reedleycollege.edu/student-services/veterans-resource-center/index.html>

STATE CENTER COMMUNITY COLLEGE DISTRICT

PROCEDURE OF USE OF COMPUTER/NETWORK EQUIPMENT

Every State Center Community College District (SCCCD) student is permitted to use a District-owned computer/network. As a condition of this use, each student agrees to:

- use the computer/network for educational purposes only and not for any commercial purpose or financial gain;
- use the computer and software in an ethical manner; this means he/she will respect the security of the District's computer system and will not illegally gain access to any network, hardware or software;
- not take or copy any copyrighted or patented software or any part of such software; further, he/she agrees not to install/uninstall any program or software, including shareware programs, on the computer;
- not use the electronic mail system for any illegal or illicit purpose, including solicitation; the District reserves the right to monitor all computer activities on its computers; the student agrees to abide by the rules of any other computer system that he/she may contact through the Internet;
- not transmit any communication in which the meaning of the message or its transmission or distribution would violate any applicable law or regulation or be offensive to the recipient or recipients; and
- not search, view or download pornographic material through any means.
- It is understood that information, programs or data a student obtains from the Internet are used at his/her own risk. He/she is responsible for any damage caused by malicious programs, commonly known as viruses, received from the Internet.

Each student is expected to abide by the District's Acceptable Use Policy at www.scccd.edu. The District is the sole determiner of the interpretation and application of the Acceptable Use Policy. It is understood that if a student violates any of the above rules, he/she is subject to removal from the computer facility as well as discipline as a student.

ENROLLMENT FEES

*Student Fees: Enrollment Fee

Each student pays a per unit enrollment fee. The total amount is determined upon the number of units a student registers for each semester. (E.C. 76300; 5 CCR 58500-58509).

California Residents: \$46 per unit (with no cap)

NOTE: Enrollment fees for California residents are subject to change without notice per the California State Legislature and Governor.

If enrollment fees are raised after you enroll, you will be notified of the additional amount that you need to pay.

California residents may apply for a California Promise Enrollment Fee Waiver (formerly known as the BOG) through the college Financial Aid Office or applying for FAFSA.

Non-Resident Tuition*

Any student that has not established California residency, out-of-state or international students, must pay a non-resident tuition fee of \$300 per unit for fall and spring classes. In addition, an enrollment fee of \$46 will be charged for each unit taken. (E.C. 76140; 76140.5). Check with the Admissions and Records Office for details regarding residency requirements. Call (559) 494-3023.

*Payment of Fees

Fees are due based on the date you register in each class. Fees are due no later than: prior to the start of the spring term.

*Fees must be paid by 5:00 p.m. or you may be dropped for non-payment. The Business Office will not drop students for non-payment of fees once the class begins. Students are responsible for dropping their own classes. See refund policy for deadlines.

Note: Financial aid is available for eligible students. See the Financial Aid Office for information.

*Personal Checks

Please be sure to write your student ID number on your check. Allow enough time for payments to reach the college prior to the due date. The college assumes no responsibility for delays caused by the U.S. Postal Service. Postmarks will not be honored. Students who fail to pay by their scheduled due date may be dropped from their classes. All personal checks must be imprinted with the name of the account holder. Postdated and two-party checks will not be accepted. Students whose checks are returned by the bank marked "insufficient funds", "stop payment", "account closed", "refer to maker", etc., will be assessed a \$25 service charge. Returned checks can be cleared at the campus Business Services Office cashier's window with a money order, cashier's check, credit card, or cash—personal checks will not be accepted to clear returned checks. Returned checks not paid within 30 days of the date of the NSF notice will be forwarded to our collection agency and will be subject to all associated collection fees.

When mailing fees, payment should be mailed to:

Reedley College, Business Services Office
995 N. Reed Avenue
Reedley, CA 93654

*Credit Card Payments

Students are encouraged to use the Self-Service option from My Portal to pay their enrollment fees by credit card. If you are unable to login to Self-Service, please call (559) 499-6070 to obtain login information. Credit card payments are also accepted over the telephone at (559) 494-3042 during normal business hours.

*Credit by Examination Fee

Application for Credit by Examination (CBE) is available in the Admissions Office located in the Student Services Building. If the application for the credit by exam is approved, the student must pay the credit by exam fees to the Business Office, no later than the end of the ninth week of the semester. Fees are the stated per unit fee required by State Law (E.C.76300;5, CCR 58753) which is currently \$46 per unit. (i.e., credit by exam for a 4.0 unit class would be \$46 per unit enrollment fee* for a total of \$184. If California residency has not been established, non-resident tuition fees will also be added). Students awarded the California Promise Fee Waiver are entitled to have the fees waived and paid by the waiver. Loss of the California Promise Fee Waiver after fees are waived would result in the student becoming responsible for the CBE fees. The receipt for payment must be presented to the instructor before the exam will be administered. (5 CCR § 55050, SCCC AR-4235)

*Materials Fee - Selected Courses Only

In accordance with Title V, Section 59404(b) and Title IV, State Center Community College District may require students to provide certain instructional and other materials. These may include, but are not limited to, textbooks, tools, equipment, and special clothing (e.g. uniforms). Such required materials fees may be:

1. The materials are used in the production of a course-related project or "end project" that has a continuing value to the student outside of the classroom setting; or
2. The required materials for use in the class have continuing value to the student outside the classroom setting.

Students who wish to purchase instructional materials on their own must secure advance written approval of the instructor and provide such written approval to the Business Services Office for a waiver of the material fee.

*Health Fees

The health fee provides students with a variety of health care services. In accordance with Board policy, students are required to pay a health fee, regardless of the units taken. For on-campus classes the health fee is \$21 for each semester (fall and spring terms) and \$18 for the summer term. For off-campus and online classes students are required to pay an \$13 health fee each term (fall, spring, and summer). For students enrolled at both on-campus and off-campus sites, the health fee is charged at the on-campus rate. On-campus sites include Fresno City College, Reedley College, Madera Community College Center, and Clovis Community College. This fee is NOT waived by the California College Promise Fee Waiver. The use of on-campus labs or the on-campus tutorial center will result in an on-campus health fee.

In accordance with California Educational Code Section 76355, an exemption/waiver from the health fee is available to the following students:

- Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.
- Students who are attending a community college under an approved apprenticeship training program.

The Health Fee Waiver Form is available at the following locations and online: Reedley College, Business Services Office. The form must be turned in prior to the start of each semester.

*Associated Student Government Card

Students have the option of purchasing an ASG membership card for \$10 for the academic year which begins each fall term. ASG cardholders receive discount rates for admission to a number of college activities and may vote in student elections. For more information, contact the Reedley College Student Activities Office at (559) 494-3000 ext. 3678 or visit the Student Activities webpage at <https://www.reedleycollege.edu/campus-life/student-activities/index.html>.

*Parking Fee

Fall 2024 Parking will be charged.

Students who choose to use on-campus parking facilities must purchase a State Center Community College District parking permit for \$30 per semester. Permits for summer session cost \$20. Permits may be purchased online or in the Business Services Office. Copies of the campus parking regulations are available online or the Campus Police Department. Daily permits are available online. Permits must be visible at all times. Students requiring handicap parking should contact the Disabled Students Programs and Services Office at (559) 494-3032 or email dsps@reedleycollege.edu. Lot A is reserved for the Residence Hall student parking which requires a special parking permit to be obtained from the Residence Hall. Lot C is for staff and faculty parking and requires a staff parking permit.

In addition to academic expenses, only as applicable to the individual student, other expenses such as extra meals, phone bill, cable TV, clothes, personal items, entertainment and travel expenses may range from \$100.00 to \$2,500.00 per semester.

Associated Student Government Representation Fee

Assembly Bill (AB) 1504, approved by the Governor October 4, 2019, amended Section 76060.5 of the Education Code to require a community college to collect the addition of a \$2 fee. This fee collected shall be expended to support the Student Senate of the California Community Colleges (SSCCC), the statewide community college student organization recognized by the Board of Governors of the California Community Colleges. The legislation is effective January 1, 2020. The student representation fee of \$2.00 is charged each semester, excluding summer sessions, to all students taking classes at Reedley College, Fresno City College, Clovis Community College, and Madera Community College including community campus locations. The fee is charged at each location a student attends, so students attending all four locations would be charged a total of \$8.00. This fee is used for student advocacy at the local, state, and national levels. When registering for classes, you may opt out of this fee.

* Subject to change without notice per SCCC Board of Trustees.

REFUND FEE POLICY AND SCHEDULE

*Refund Fee Processing

It is the student's responsibility, not the instructor's responsibility, to drop a class by the refund/fee reversal deadline. A refund or reversal of enrollment, tuition and class material fees shall be made in accordance with the district refund policy. Students are required to submit a refund request form to the College Business Services Office. Requests may also be submitted online at <http://www.reedleycollege.edu/admissions-aid/business-services/index.html>. Please ensure that all class(es) are dropped before submitting your request. The refund process may take up to eight weeks to receive. If fees were paid with a credit card the refund will be applied to that credit card. If paid by check or cash, a refund check will be made payable to the student and is mailed to the student's official address on record with the college.

*Refund of Enrollment Fees and Tuition

Refund or reversal of enrollment fees and tuition shall be made following cancellation or withdrawal from class(es) in accordance with the following schedule. Refunds shall be initiated upon receipt of a written request to the College Business Services Office. Requests may also be made online. Refund requests are subject to an audit of the student's record to verify balance. Credit balances may be carried forward to the new term in lieu of a refund. Credit balances greater than or equal to \$15 will remain on the account for three years and amounts less than \$15 will remain on the account for one year.

*Primary Term-Length (Full Semester) Classes

- (a) Withdrawal during the first two weeks of the semester: 100% fee reversal
- (b) Withdrawal after the second week of the semester: no refund

*Summer/Short-Term Classes (other than 18 weeks)

State code defines the drop deadlines to qualify for fee refund/reversals for short-term classes as on or before 10 percent of the duration of the class.

- A 100% refund is given upon withdrawal by the 10 percent point.
- No refund is given after withdrawal beyond the 10 percent point.

*Number of Class Meetings:	10% Point (rounded down)	100% refund if withdrawal is on or before:
8	0.8 = 0	1st day of class
16	1.6 = 1	1st day of class
24	2.4 = 2	2nd day of class
38	3.8 = 3	3rd day of class
*Do NOT count holidays, week-ends, or any other day the class is not schedule to meet.		

*Refund of Health Fee

Students receive a refund upon complete withdrawal from all classes in accordance with the enrollment and tuition fee refund schedule.

*Refund of Parking Fee

Full refunds for parking permits will be made during the first two weeks for the fall/spring semesters and the first week of the summer sessions upon proof of complete withdrawal from school. The parking permits must be attached to a Request for Refund form and returned to the college Business Office in order to obtain the refund. There is no refund for daily parking permits.

*Refund/Account Adjustments of Cafeteria and Residence Hall

Students must request refunds or adjustments on their cafeteria and residence hall accounts through the department manager.

FINANCIAL ASSISTANCE

Students in need of financial assistance to help cover their educational expenses may apply for Federal, State, and Scholarship funds.

Federal and State Financial Assistance

To apply for financial assistance, U.S. citizens and eligible non-citizens must complete the Free Application for Federal Student Aid (FAFSA) at <https://studentaid.gov/h/apply-for-aid/fafsa>. Students who are not U.S. citizens or eligible non-citizens must complete the California Dream Act Application (CADAA) at <https://dream.csac.ca.gov>.

Financial Aid Programs available:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (SEOG)
- Federal Work Study
- Federal Direct Student Loans
- Federal PLUS Loan
- Cal Grant B/C
- Student Success Completion Grant
- California College Promise Grant (CCPG)
- Extended Opportunity Programs & Services (EOPS)
- Chafee Grant for former foster youth
- Scholarships
- Osher Scholarships

Enrollment Fee Waivers

There are two ways to apply for an enrollment fee waiver (CCPG):

1. Complete the FAFSA or CADAA and list Reedley College's school code (001308) on your application. Students who list Reedley College's school code on their FAFSA/CADAA will automatically be reviewed for fee waiver eligibility. Students are encouraged to apply using this option because income limits are higher and they will be considered for other types of aid by completing one application.
2. You may complete a paper CCPG application, which is available on our website (www.reedleycollege.edu/financialaid), and submit it directly to the Financial Aid Office. The CCPG application only applies to enrollment fees. It does not pay the Health Fee or ASG fee. If you need money to help with books, supplies, food, rent, transportation and other costs, please complete a Free Application for Federal Student Aid (FAFSA) or a California Dream Act Application (CADAA).

Scholarships

Reedley College offers many scholarship awards throughout the year based on academic excellence, leadership, community service, and program of study. Scholarship funds are donated by the Reedley College Foundation, State Center Community College Foundation, Reedley College alumni, private companies, and other organizations. Awards range from \$100 to \$2,000. The Reedley College Scholarship Application is one application for over 150 scholarships. You may apply online at www.reedleycollege.edu/scholarships.

Withdrawing from School or Dropping Class(es)

Any federal financial aid recipient who withdraws from some or all of their classes may owe back funds if they drop before 60% of the semester is over. Federal financial aid recipients who receive all unsatisfactory grades may also owe back funds. If you are considering dropping all or some of your classes and you have received federal financial aid, you should consult with the Financial Aid Office to see if you will be in repayment.

Important Information and Reminders

- Check your State Center Community College District issued email account regularly. This is the only way that you will receive important, time sensitive information regarding your financial aid.
- Keep your address and phone number updated through Self-Service.
- CCPG fee waivers do not cover the Health or ASG fees.
- Apply for a fee waiver BEFORE you register for classes. If you don't qualify for a fee waiver, you'll know exactly how much you owe and how long you have to pay your fees.
- If you qualify for a fee waiver after you paid your enrollment fees, you can apply for a refund at the Business Services Office or online.
- If you are awarded a fee waiver, it will cover all classes within the State Center Community College District - Fresno City College, Reedley College, Madera Community College, Madera Community College at Oakhurst, and Clovis Community College.
- You cannot receive federal or state financial aid at more than one college for the same term, but you may receive a California College Promise Grant at more than one community college. Make sure you list all schools you plan to attend on your FAFSA so you will be reviewed for fee waiver eligibility at each school.
- When applying for financial aid or a fee waiver, read all instructions carefully and check for deadline dates.
- Submit all requested documents and forms to the Financial Aid Office as soon as possible.

For more information on any of these topics, contact your Financial Aid Office at the campus you attend:

CAMPUS POLICIES

Cheating and Plagiarism

Students at Reedley College are entitled to the best education that the college can make available to them, and they, their instructors, and their fellow students share the responsibility to ensure that this education is honestly attained. Because cheating, plagiarism, and collusion in dishonest activities erode the integrity of the college, each student is expected to exert an entirely honest effort in all academic endeavors. Academic dishonesty in any form is a very serious offense and will incur serious consequences.

Cheating is the act or attempted act of taking an examination or performing an assigned, evaluated task in a fraudulent or deceptive manner, such as having improper access to answers, in an attempt to gain an unearned academic advantage. Cheating may include, but is not limited to, copying from another's work, supplying one's work to another, giving or receiving copies of examinations without an instructor's permission, using or displaying notes or devices inappropriate to the conditions of the examination, allowing someone other than the officially enrolled student to represent the student, or failing to disclose research results completely.

Plagiarism is a specific form of cheating: the use of another's words or ideas without identifying them as such or giving credit to the source. Plagiarism may include, but is not limited to, failing to provide complete citations and references for all work that draws on the ideas, words, or work of others, failing to identify contributors to work done in collaboration, submitting duplicated work to be evaluated in different courses without the knowledge and consent of the instructors involved, or failing to observe computer security systems and software copyrights.

Incidents of cheating and plagiarism may result in any of a variety of sanctions and penalties, which may range from a failing grade on the particular examination, paper, project, or assignment in question to a failing grade in the course, at the discretion of the instructor and depending on the severity and frequency of the incidents. For more information, contact the Vice President of Student Services' Office or the Vice President of Instruction's Office.

Drug- and Alcohol-Free Campus

Reedley College is committed to maintaining a drug- and alcohol-free campus. To that end, the college prohibits the unlawful manufacture, distribution, dispensing, possession, or use of controlled substances (as defined in Schedules I through V of the Controlled Substances Act {21U.S.C812} and as further defined by Regulations 21 CFR 1308.15 in the workplace). Behavior which violates this policy will be subject to disciplinary action in accordance with campus policies and regulations (BP 5410). Persons who seek information and/or resolution of alleged violations are directed to the Vice President of Student Services in the Administration Building. (559) 494-3591 , or campus police, 494-3000 ext. 6140.

Family Educational Rights & Privacy Act

The Family Education Rights and Privacy Act (FERPA) outlines certain rights students have concerning access to and release of their educational records. Copies of District Administrative Regulations implementing this act may be obtained from the Admissions and Records Office. Each student is encouraged to obtain a copy. The Act ensures that the students will have access to their educational records and that the college will not release their records to anyone, including any parents, who is not designated by the student to receive them, except as provided by the Act itself.

The Act authorizes the release of directory information in the absence of student objection. Directory information includes: name, address, date and place of birth, major field of study, current class schedule, participation in activities, dates of attendance, degrees and awards received, and last institution attended. Objection, if any, to the release of this information may be made at the time the student applies for admission or at registration (see [Application for Admission](#) p.4, item #31).

Grievance Policy for Students

Any complaint concerning an alleged unauthorized or unjustified act or decision by any staff member which adversely affects the grades, status, rights, or privileges of a student is the concern of the Reedley College administration.

A student should see the following people, in the suggested order below, if the concern is an academic matter:

1. Instructor
2. Dean of Instruction
3. Petition Academic Standards Committee (obtain petition form from Admissions and Records)

A student should see the following people, in the suggested order below, if the concern is a non-academic matter:

- If it involves an administrator - immediate supervisor
- If it involves certificated/classified staff - immediate supervisor
- If it involves another student - Vice President of Student Services.

If the student's concern(s) remain unresolved, the student may submit the grievance in writing. Grievances regarding non-academic matters are submitted to the Vice President of Student Services (grievance forms may be obtained at the Vice President of Student Services Office in the Administration Building (559) 494-3591. If the student is not satisfied with the outcome at this step, a petition can be filed with the Committee for Student Conduct (petition may be obtained at the Vice President of Student Services Office). Individuals seeking information and/or resolution of alleged acts of discrimination are directed to contact the Vice President of Student Services at (559) 494-3591. The Vice President of Student Services Office is located in the Administration Building.

CAMPUS POLICIES

Intellectual Freedom and Responsibility— Board Policy

Intellectual freedom is to be guarded as a basic right of all citizens in a free society. To this end, the colleges of the district are committed to free discussion and open inquiry in the pursuit of truth. It is recognized that freedom to think, to read, to speak, and to question is necessary to the development of an informed citizenry. This freedom shall be integral to the philosophy of this district and is guaranteed to all faculty and students.

Nondiscrimination Statement

Reedley College and all its centers comply with all Federal and state rules and regulations and does not discriminate on the basis or race, color, national origin, gender, disability, sexual orientation, religion or age. This holds true for all students who are interested in participating in educational programs and/or extracurricular school activities. Harassment of any employee/student with regard to race, color, national origin, gender, disability, sexual orientation, religion or age is strictly prohibited. Inquiries regarding compliance and/or grievance procedures may be directed to the college's Title IX Officer and/or the Section 504/ADA Coordinator.

Reedley College Title IX Officer/Section 504/ADA Coordinator:

Dr. Todd Davis

Declaración: Póliza Contra la Discriminación y las Obligaciones

El Distrito State Center Community College (Reedley College) no discrimina por razones de raza, color, nacionalidad, género, orientación sexual, inhabilidad, religión o edad, en ninguno de sus reglamentos, procedimientos, o acciones, de acuerdo con los siguientes códigos: el Artículo VI del Código de Derechos Civiles (Civil Rights Act) de 1964, el cual prohíbe la discriminación por razones de raza, origen, color o nacionalidad; el Artículo IX de las Enmiendas al Código Educativo (Education Amendments) del año 1972 (género); la sección 504 del Código de Rehabilitación de 1973 (inhabilidad); y el Código Antidiscriminatorio de 1975 (edad); y tampoco tolera ninguna acción asociada con el acoso sexual (sexual harassment), en cumplimiento con el Código que cubre a los Americanos Inhabilitados de 1991 (Americans with Disabilities Act of 1991).

Dichos reglamentos y leyes abarcan y rigen todos los programas y actividades de Reedley College, incluyendo el Programa de Educación Vocacional (Vocational Education), e incluyen el derecho de no ser discriminado en ninguno de los programas y actividades del colegio, y ser tratado en una forma igual y equitativa.

Puede dirigir cualquier pregunta o queja relacionada con los Reglamentos Antidiscriminatorios colocada en el Colegio de Reedley, 995 N. Reed Ave., Reedley, CA 93654. Para más información, llame (559) 494-3059

El Colegio de Reedley College acepta y reconoce la obligación que tiene con las personas inhabilitadas (handicapped) de proveerles y facilitarles el acceso a todos sus programas y actividades. Para mayor información al respecto, comuníquese con la Coordinadora de la Sección 504, Dr. Todd Davis, quien le informará sobre la ubicación de los diversos servicios y actividades, así como sobre los lugares accesibles y disponibles para los inhabilitados.

Puede obtener más información sobre las leyes y reglamentos anti-discriminatorios, dirigiéndose a la Oficina de Derechos Civiles: (Office for Civil Rights), U.S. Department of Education, 221 Main Street, Suite 1020, San Francisco, CA 94105. La falta de conocimiento del idioma inglés no es un obstáculo para ser admitido a los programas técnicos y vocacionales del Colegio de Reedley (Reedley College).

Open Enrollment Policy

It is the policy of this district that, unless specifically exempted by statute, every course, course section, or class, the full-time equivalency (FTE) of which is to be reported for state aid, wherever offered and maintained by the district, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820. It is further the policy of this district that, in accordance with Section 51823(f), Title 5; health, safety, legal requirements and procedures will be established to meet such limitation.

Sexual Harassment Policy

Acts of sexual harassment will not be tolerated at the college. This applies to students, employees, and those who apply for employment status. Furthermore, this policy prohibits harassment in any form including verbal, physical, and visual harassment.

Sexual harassment includes, but is not limited to, making unwanted sexual advances and requests for sexual favors.

Where either:

1. Submission to such conduct is made an explicit or implicit term of employment, appointment, admission, or academic evaluation;
2. Submission to or rejection of such conduct by an individual is used as the basis for a personnel decision or an academic evaluation affecting an individual;
3. The conduct has the purpose or effect of interfering with an employee's work performance, or creating an intimidating, hostile, offensive, or otherwise adverse working environment;
4. The conduct has the purpose or effect of interfering with a student's academic performance, creating an intimidating, hostile, offensive, or otherwise adverse learning environment, or adversely affecting any student.

CAMPUS POLICIES

Student Conduct

Students are expected to conduct themselves in a responsible manner whenever they are on campus or representing the college in any activity. Specific rules and regulations have been established in Board Policy 5500. A copy of this policy is available in the college library, the Admissions & Records Office, the Vice President of Student Services, the Vice President of Instruction's Office, and in the Student Activities Office. It is also available at <https://www.reedleycollege.edu/about/about-us/policies-and-procedures/student%20conduct%20standards.html> or on the Reedley College website (www.reedleycollege.edu) under About > Policies and Procedures > Student Conduct Standards. Conduct standards are designed to perpetuate the college's educational purposes, allowing students to enjoy the right of freedom to learn. Failure to adhere to the accepted standards will result in disciplinary action.

Student Right-to-Know and Campus Security Act

Student Right-to-Know Rates for Fall 2017 Cohort

Completion Rate: 35.61%

Transfer Rate: 4.94%

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2019, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three year tracking period.

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2019 to Spring 2022. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer prepared' during a five semester period, from Spring 2020 to Spring 2022, are transfer students.

CALIFORNIA STATE UNIVERSITY GENERAL EDUCATION BREADTH (CSU GE)

The California State University (CSU) requires all students to complete at least 48 semester units of general education (GE) to earn a bachelor's degree. The CSU GE-Breadth is a 39 semester-unit pattern of lower-division GE courses that may be completed at Reedley College. The remaining 9 units of GE are upper division courses that must be completed at the CSU. It is recommended that students planning to transfer to a CSU complete their lower-division GE prior to transfer by following the CSU GE-Breadth pattern. However, the CSU GE-Breadth pattern may not be the best GE preparation pathway for ALL majors. Students should consult with a counselor to determine the best GE plan for their major and transfer destination.

This CSU GE-BREADTH IS APPROVED FOR REEDLEY COLLEGE ONLY. Students completing courses at other California Community Colleges, in particular Fresno City College, Clovis Community College, and Madera Community College, should carefully review course differences in CSU GE placement on www.ASSIST.org.

Certification

Upon request, Reedley College will verify the completion of lower-division general education requirements for transfer to the CSU. Courses can only be certified if they were on the CSU approved list at the time they were taken by the student. Students who transfer without completing the CSU GE-Breadth will have to meet both lower and upper division general education requirements specific to the CSU campus to which they are transferring.

GE Credit by Examination:

Satisfactory scores on Advanced Placement (AP), International Baccalaureate (IB), and College Level Exam Preparation (CLEP) exams may be used to award GE credit and to certify completion of CSU GE-Breadth areas. These units will be applied in accordance with the [CSU Chancellor's Office policy](#) which is updated annually. Students will be required to provide official AP/IB/CLEP test scores. Each CSU campus determines how it will apply credit earned by these examinations toward requirements in the major.

COURSES COMPLETED AT ANOTHER CALIFORNIA COMMUNITYCOLLEGE (CCC):

CSU GE policy states that CSU GE coursework completed in a specific subject area will be used in the area designated by the California Community College at which the course was completed.

U.S. History, Constitution, and American Ideals

All CSU campuses require U.S. History, Constitution and American Ideals to graduate. This graduation requirement can be met prior to transfer by selecting one U.S. History course (HIST 11, 12, 12H, or 22) and one U.S. Government (including California) course (POLSCI 2 or 2H). Though not required to complete CSU GE, these courses may satisfy AREA C2 or AREA D.

AREA F – Ethnic Studies

Area F and changes in AREA D are effective fall 2021. These changes are required of students who begin enrollment in fall 2021 and who re-enroll in fall 2021 after losing catalog rights. Per Title 5's definition of catalog rights, a student who begins and maintains continuous enrollment at the California Community College or California State University before fall 2021 will not be required to complete AREA F and may complete previous catalog CSUGE-Breadth requirements.

CERTIFICATE OF ACHIEVEMENT IN CSU GE-BREADTH: (R.3000.CA)

Students who complete the CSU GE-Breadth pattern and meet the residency requirement are eligible to apply for the CSU GE-Breadth Certificate of Achievement from Reedley College.

AFRAM 1, AMIND 31, CLS 11			

*Courses listed in more than one GE area may only be used to fulfill one GE area with the exception of courses in Language Other Than English, which may be certified in Areas 3B and 6. See notes on the next page.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that prospective transfer students attending California Community Colleges (CCC) may complete to satisfy the lower-division general education (GE) requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and even out-of-state colleges and universities also accept IGETC. IGETC is most helpful to students who know they want to transfer but have not yet decided upon a particular system (UC or CSU), institution, or major. Students intending to transfer into majors that require extensive lower-division preparation, such as engineering or the natural sciences, should concentrate on completing the prerequisites for the major while meeting minimum admission requirements.

The above courses are IGETC APPROVED FOR REEDLEY COLLEGE ONLY. Students completing courses at other California Community Colleges, in particular Fresno City College, Clovis Community College, and Madera Community College, should carefully review course differences in IGETC placement on www.ASSIST.org.

IGETC Certification

Students who have completed courses at more than one CCC should have their coursework certified by the last CCC they attended for a regular term before transfer. It is the student's responsibility to request IGETC Certification. Students can request certification through the Reedley College Transfer Center website <https://www.reedleycollege.edu/student-services/counseling/transfer-center/transcripts-igetc-certification.html>

Partial IGETC Certification

California Community Colleges may grant partial certification of IGETC to students who are missing no more than two requirements. Students should verify that their UC school/college/major program will accept partial certification. After transfer, students submitting partial IGETC certification should complete the missing requirements at either UC or a California Community College as designated by their department. Students who have been granted partial IGETC certification should not return to the community college for a full certification.

GE Credit by Exam

Credit may be earned for Advanced Placement (AP) exams and International Baccalaureate (IB) Higher Level exams toward IGETC, in accordance to [UC policy](#). Students should be aware that college courses may duplicate the content of examinations. The University may not award credit for both the course and the exam. Some UC campuses may require higher exam scores for subjects within the major. Refer to the campus regarding how AP credit is granted for each major. CLEP exams are not accepted for IGETC.

Courses Completed at Other California Community Colleges (CCC)

Courses taken at more than one CCC may be used to fulfill IGETC. Coursework may only be applied in the IGETC area it was approved at the community college where it was completed. Refer to www.ASSIST.org for a list of CCC courses that satisfy IGETC requirements.

U.S. History, Constitution, and American Ideals for CSU only

A U.S History course (HIST 11, 12, 12H, or 22) and a U.S. Government (including California) course (POLSCI 2 or 2H) is required for CSU graduation. Though not required to complete IGETC, these courses may satisfy AREA 3B or AREA 4.

Ethnic Studies

Per AB 1460, students who begin enrollment in fall 2021 and returning students who re-enroll in fall 2021 after losing catalog rights are required to complete an approved Ethnic Studies course for CSU graduation and/or IGETC Certification.

CERTIFICATE OF ACHIEVEMENT: IGETC for CSU (R.3100.CA) / IGETC for UC (R.3200.CA)

Students who complete the IGETC pattern and meet the residency requirement are eligible to apply for the Certificate of Achievement for IGETC for CSU or IGETC for UC from Reedley College.

Exam Conflicts, Makeup Exams, or Exam by Special Arrangement*	Wednesday, December 11	7:00 am - 9:00 a.m.

DAY CLASSES

- If your class does not start on the hour, please assume that it starts at the beginning of the hour in order to determine on which day and at what time your final exam will be. (For example: If you have a 9:30 a.m. Tuesday/Thursday class, your class will then fall into group 9:00 B.)
- Classes which meet two days a week and which have different starting times for those two days will have a final exam determined by the first class meeting of the week. (For example: A class which meets at 9 a.m. on Monday and 10 a.m. on Wednesday will fall into group 9:00 A.)
- Examinations calling for special arrangements and/or approved makeup exams must be scheduled through the class instructor. Final examinations not adhering to this schedule may be made by the instructor and are subject to approval by the division dean.
- Students who have three final examinations scheduled on the same day may seek to have one final exam moved to another day by contacting the individual instructors BEFORE the start of the final exam week.

EXTENDED DAY

(Classes beginning at or after 4:30 p.m. and Saturday classes.)

- Final exams will be given during the final exam week using the above schedule.
- Classes which meet more than once during a week will meet only once during the final exam week, with the class meeting devoted to the final examination. Unless approved by the division dean, such classes will meet on the first normally scheduled night.

NOTE: Instructors must submit their final grades in the Student Services Building, no later than noon on Monday, December 16, 2024

* Open periods are for final exam conflicts, makeup exams, and exam by special arrangement.

** Classes falling into these groups are possibly in conflict with other classes. If so, the other classes have priority for the rooms. The instructor will choose an open period for the final exam.

§ For night classes, the instructor should begin the final exam at the time the class usually begins.
