## Flight Program Resource Guide

**2019-2020**

Dear Student:

Reedley College offers a complete program for professional pilot training, including ground school and flight lab courses. Ground school courses (academic classes) are taught at the Reedley College campus, in Reedley. The flight lab courses are conducted at Fresno Yosemite International Airport, 4955 E. Anderson Road, Suite 117, Fresno, CA 93727.

The Financial Aid Office would like to help make a student's dream of becoming an airline pilot a reality. The information in this booklet will outline the costs of the Flight Program, available financial aid resources, scholarships, and other important information students need to know. It is very important that potential students read through this booklet thoroughly and ask any questions they may have.

Students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) as soon as possible and complete their financial aid file. Eligible students will receive a Financial Aid Award notification via school assigned e-mail. At that point, students should contact the Financial Aid Office to discuss their student loan eligibility and financial plan to cover the cost of the Flight Program. Scholarships may be available to qualified students.

FLIGHT lab fees are subject to change each semester. Lab fee changes, should they be necessary, will be publicized and students already enrolled in the Flight Science program will be notified in a timely manner of any changes. Additional standard college fees (parking permits, health fee, etc.) apply to FLIGHT students; those fees are itemized elsewhere in the college catalog.

This is an amazing program, but it requires a serious financial commitment from students, and for some students, their parents. The Financial Aid Office is committed to doing all we can to ensure student success!

## How to get your Account Statement

A good way to know what your cost of attendance per semester will be and how much financial aid you will be receiving, is by accessing your Account Statement online; to do so:

- Go to [www.reedleycollege.edu](http://www.reedleycollege.edu)
- Click on the "My Portal" link in the right hand-side upper corner
- Click on the sign in option in the right hand-side upper corner or in the sign in button in the left hand side of the page. Once you sign in, click on the "Apps Catalog" tab
- Click on the "Self-Service" option
- Click on "Student Finance"
- Click on the account statement corresponding to the semester you want to know more about your financial aid.
- Click on the option "View Statement" located on the right hand-side of the page.

## How to read your Account Statement

Once you get your account statement from the Self-service website, there a few things that will help you achieve a better understanding of your college finances:

<b>Name</b>	Bartholomew H. Allen
<b>Student ID</b>	3910397
<b>Total Balance</b>	\$2,051.04
<b>Amount Overdue</b>	\$3,194.04
<b>Total Amount Due</b>	<b>\$2,051.04</b>

This is the summary of the status of your account, it will show the total balance of your account in the "Total Amount Due" field.

Charges		
Tuition by Section		\$3,360.00
Fees		\$21.00
Room & Board		\$2,225.00
Miscellaneous Charges		\$462.04
<b>+ Total Charges</b>		<b>\$6,068.04</b>
<b>- Financial Aid</b>		<b>\$4,017.00</b>
<b>= Spring 2018 Balance</b>		<b>\$2,051.04</b>
<b>= Total Amount Due</b>		<b>\$2,051.04</b>
<b>Total Balance</b>		<b>\$2,051.04</b>

This is a more thorough break down of the status of your account, here you will be able to see exactly what you are being charged for. You will also see an overview of the total financial aid that you have been awarded for the semester.

### Financial Aid

RC Pell Grant		Comments:				
Awarded	Term	Disbursed	Anticipated	Other Terms	Loan Fee	Currently Ineligible
\$2,285.00	Spring 2018	\$1,142.00	\$1,143.00			
RC Sub. Student Loan, Federal Direct Prog.		Comments:				
Awarded	Term	Disbursed	Anticipated	Other Terms	Loan Fee	Currently Ineligible
\$1,750.00	Spring 2018	\$1,732.00			\$18.00	
<b>Total</b>		<b>\$2,874.00</b>	<b>\$1,143.00</b>			

The last section of your account statement contains information regarding your financial aid. Keep in mind that most grants and loans are forms of CASH aid, so you will receive actual checks/direct deposits for such awards; whereas the California College Promise Grant (CCPG) and Free College Promise only waive your tuition and therefore you won't be disbursed any funds.

## WHERE DO I START?

- 1) Apply for financial aid at [www.fafsa.gov](http://www.fafsa.gov). The Reedley College school code is 001308. Make sure to respond to any e-mails that you receive.

You (and your parent) should apply for a FSA User ID at [www.fsaid.ed.gov](http://www.fsaid.ed.gov). You will need your FSA ID to electronically sign your FAFSA, make corrections or add additional schools to it. Your FSA ID will remain the same every year you apply for financial aid, unless you makes changes to the username, or password. You only have to apply for a FSA ID once.

- 2) Have you considered applying for scholarships? The Reedley College Financial Aid Office publishes a scholarship catalog every fall semester. Visit the Reedley College website at [www.reedleycollege.edu](http://www.reedleycollege.edu) between October and March for scholarships catalog information. The deadline to apply for scholarships is March 2.
- 3) If you need additional funds to cover your expenses, consider taking out a student loan. Reedley College participates in the Direct Loan program; we offer subsidized and unsubsidized student loans as well as parent PLUS loans. A "subsidized" loan is one that you do not pay back until six months after you stop attending college at least half-time. **The federal government will pay the interest on your loan while you are enrolled at least half-time.** An "unsubsidized" loan is also a loan that you do not pay back until six months after you stop attending any college at least half-time, **but YOU are responsible to pay all the interest from the time you receive the loan until it is paid in full.** Below is a chart with a brief description of each loan program and corresponding annual loan limitations.

Note: A **first year student** = 0-29.5 degree applicable completed units  
A **second year student** = 30 or more degree applicable completed units

For more information on the Direct Loan program, visit: <https://studentaid.ed.gov/sa/types/loans>

- 4) Visit or call the Business Services Office (BSO) to create your payment plan. You should already know how much you owe for the semester, how much financial aid you are to receive, and how much you will have to pay out-of-pocket. If you have questions, contact Ralph Marrufo in the Business Services Office at (559) 638-0300 ext. 3440

### BEFORE THE END OF EACH SEMESTER...

- 1) Make sure all your expenses for that semester are paid in full. A financial **HOLD** will be placed on your account if you do not make payments according to your payment plan. If you are not able to make a scheduled payment, contact the Business Services Office immediately.
- 2) If you have ANY type of problems, tell someone! Counselors, Instructors, the Flight Program Coordinator, the Business Office and Financial Aid are all here to help you. Many academic and financial resources are available to help you be a successful college student.  
**Don't wait until it's too late to ask for help!**

## ALTERNATIVE STUDENT LOANS

Private Education Loans, also known as Alternative Education Loans, help bridge the gap between the actual cost of your education and the limited amount the government allows you to borrow in its programs. Private loans are offered by private lenders and there are no federal forms to complete.

However, since federal education loans are less expensive than and offer better terms than private student loans, you should exhaust your eligibility for federal student loans before resorting to private student loans.

It's best to get as much information as possible before you begin the process. Alternative loans do require a credit check. Negative credit or excessive outstanding debt could affect your ability to borrow. If you are not able to qualify for an alternative student loan based on your own credit history, most lenders will allow for co-signers. A cosigner is someone who guarantees that they will be legally responsible to repay this debt if you, the borrower, cannot pay.

We have arrangements with two lenders to provide assistance to our Flight Science students. If you have a different lender in mind, ask them if they provide alternative student loans to California Community College students. If the answer is 'yes', call Jessica or Chris in the RC Financial Aid Office and give us the lenders name and phone number.
