Steps to NAT Program Registration

Steps to NAT Program Registration

Thank you for having interest in our NAT Program at Reedley College! Please read this entire message with directions for NAT Registration. Attending the Online NA Orientation and taking the quiz is mandatory and the first step towards NAT Registration. Orientation will give you all the information you need to register for the NAT program.

1. **Follow the appropriate link on the NAT Orientation flyer to attend the Online NAT Orientation in canvas shell. Click on NAT Orientation hyperlink under Modules or click on Next at the right lower corner of the page and watch the entire (about 1 hour) video.**
2. **Take the quiz**
3. **Click on each hyperlink to download the uploaded current forms to fill out. (You cannot use the forms from the last semester)**
4. **Once you have all the documents ready then make an appointment with the college nurse, Ms. Kelly Murguia (kelly.murguia@reedleycollege.edu) (559-494-3028/ext.3750) to get your health requirements verified, bring your vaccine record with you. All the health requirements need to be within the 90 days from the start of the program, starts on 01/12/2026. 2 step TB test can be obtained from the college health services in August, that way it will be within the 90 days of the clinical practice start.**
5. **After being verified by the college nurse, email me at Manjit.dhillon@reedleycollege.edu to schedule a meeting to submit all the documents. Make sure to bring originals and a copy of your social security card and CA photo ID (your license or passport) and a copy of vaccine record. If your package is complete, I will issue you a "letter to register" which you will submit to admissions and records at admissions@reedleycollege.edu .**

Feel free to email me at Manjit.dhillon@reedleycollege.edu if you have any

You can click on the link below to find out more information about the NAT Program:
