APPLICATION TO ENTER FLIGHT SCIENCE

1) Apply to become a Reedley College student here. Students will receive a college ID number and an email log-in within a few days via personal email.

2) Apply for and receive an FAA Medical certificate (see FAA Medical online document)

3) Print the last page of this form, fill it in completely, and submit it to the Flight Science Program Coordinator. A scanned (or clear and complete cell phone picture) of this completed form can be emailed. Hard copy forms may be mailed or submitted in person.

Send forms to: flight@reedleycollege.edu

NOTICES to STUDENTS:

A. Flight Science students must read, understand, and follow:

   a. Reedley College Catalog policies applicable to all students

   b. Reedley College Catalog policies that apply to Flight Science students

   c. Policies in the latest version of the Student Handbook for Flight Science

   d. Any additional documents provided by Reedley College and/or posted to the Reedley College Flight Science web page. The latest versions of the documents are posted on the Reedley College Flight Science web page. This includes, but is not limited to the following documents:

      01 Instructions to Enter Flight Science (this document)
      02 Application to Enter Flight Science
      03 Student Handbook
      04 FAA Medical
      05 Financial Aid Guidebook
      06 VA Benefits
      07 Course Progression and Costs
      08 Eligibility to Flight Train in the U.S.
      09 College Catalog Excerpt
      10 Paying for Flight Lab Costs
      11 Payment and Refund Policy
      12 Reality Check
      13 Prepare to Fly After Degree Acceptance
      14 Equipment and Books
      15 Acceptable ID for Airport Security Badge
      16 Degree Brochure

   Students with questions surrounding these documents may contact the Flight Science Program Coordinator.
B. Before taking a Flight Lab course, students must:
   a. Meet Federal Aviation Administration (FAA) medical qualifications
   b. Be able to read, speak, write, and understand the English language
   c. Provide Transportation Security Administration (TSA) proof of eligibility to receive flight training
   d. Meet the requirements for and receive an airport ID badge. To receive this ID badge, students must pass a criminal background check and hold a state driver's license
   e. Provide financial capability to cover flight training costs
   f. Have access to a reliable vehicle to drive to/from classes at Reedley College and flight labs at the Fresno airport

C. **Students using VA benefits**: The number of new students using VA benefits that may enter this program is limited each semester. This number may vary by semester and is based on current U.S. Department of Veteran’s Affairs policies. Students planning on using VA benefits will be notified if they can enter the Flight Science degree using VA benefits. See the VA Benefits online document for more details.

Where did you ORIGINALLY hear about the Flight Science program?
___________________________________________________________________________

Airplanes can only hold so much weight. Reedley College needs to know which airplane you will fly for planning purposes. Your current body weight with clothing is __________ pounds

I am under 24 and live in my parent’s or guardian’s home?      yes ____  no _____

I am a U.S. citizen?   yes _____ no _____ (if no, TSA background check must be accomplished)

I will be using veterans (VA) benefits to help cover the costs of this program? yes ____ no _____

My first semester in the Flight Science degree is planned for?

Spring _____        Summer _____        Fall _____      of what year: _____________

I understand that all Flight Science students must read, understand, and follow:

a. Reedley College Catalog policies applicable to all students
b. Reedley College Catalog policies that apply to Flight Science students.
   c. Policies are in the documents provided to me by Reedley College, which are posted on the Reedley College Flight Science web page.
   d. Any additional information provided to students via email.

I understand that before being admitted into the Flight Science degree, students must:

a. Be able to read, speak, write, and understand the English language
b. Hold a Federal Aviation Administration (FAA) medical certificate
c. Provide hard-copy Transportation Security Administration (TSA) proof of eligibility documents
d. Hold a valid state driver’s license

I understand students will not be able to start the actual airplane flying until they:

e. Meet the requirements for and apply for an airport ID badge. To receive this ID badge, students must pass a criminal background check and hold a state drivers license
f. Provide financial capability to cover flight training costs
g. Have access to a reliable vehicle to drive to/from classes at Reedley College and flight labs at the Fresno airport

I give my permission to be declared in the Flight Science degree before the beginning of classes and to be removed from the degree if not able to enter the degree.

I understand the number of students entering the Flight Science degree may be limited. If there is room for me to enter, I will be notified concerning acceptance.
