DISTINGUISHED ALUMNUS AWARD

JUAN BEDOLLA

The son of agricultural workers, Juan is a first-generation college graduate. A lifelong Reedley resident, Juan attended Lincoln Elementary, Grant Middle School and Reedley High School respectively before graduating from Reedley College with an Associate of Science degree in Biology. Growing up, Juan worked in a variety of agricultural jobs. The experience of working in agriculture and seeing the numerous sacrifices his parents made, prompted Juan to work tirelessly towards the pursuit of higher education. Juan's commitment to education has allowed him to attain a Bachelor's of Science and Master's in Counseling degrees respectively from Fresno State. Removed from these academic accomplishments, Juan also possesses an Associate Degree in Nursing from San Joaquin Valley College and a Master's Degree in Nursing from CSU Long Beach.

As the Dean of Instruction, Juan utilizes his diverse educational background and personal experiences as a first-generation college graduate to help and support Reedley College students towards the completion of their individual studies. Juan is committed towards ensuring that all Reedley College programs offer 21st Century instruction and guidance towards all its students in the realization of their respective dreams and goals. Juan knows and understands from first-hand experience the positive impact that Reedley College can have on a student's life. Juan strongly believes that all students deserve and have a right towards pursuing a college degree. The proud husband and father of four girls, when he is not working supporting students and staff, Juan enjoys spending time with his wife and children and taking part in activities with them such as traveling.
