

Starfish – Student Guide

Starfish is a platform that provides you with a central location to connect to people and services! Reedley College uses Starfish for appointment scheduling, early alert interventions, referrals to support resources, and student education planning. Starfish puts you at the center of a connected system, where faculty, counselors and staff can work together to help you achieve your academic, career, and life goals!

My Success Network

This is your personalized network. For each person or service listed, you will find contact information, supporting websites and, if online scheduling is enabled, a link to schedule an appointment.

Your Connections:

This is where you will find people that you have a one-on-one relationship with. Most often this will be your instructors. However, you may find other people like one of our sports team coaches or even a counselor based on the programs that you are connected to.

Your Services:

The services listed here are customized for you based the connections you have throughout our college and district. If you are participating in any special programs, you will find that service in this area.

Other Services:

The other services button will open up a catalog of all other services. This catalog includes services from other colleges and campuses within our district listed in alphabetical order. Each college identifies their services using the mascot for a quick visual in addition to the services title.
