Reedley College Agriculture Backers Council

WE NEED YOUR HELP!

The **Agriculture Backers Council** is the community support group for students in the Agriculture & Natural Resources Department at Reedley College. We annually provide over \$10,000 in scholarships, paid internships, student hardship support, leadership development, and new student recruitment for the 350+ agriculture students at Reedley College.

Reedley College has a history of producing outstanding agriculture leaders. Help continue that tradition by joining the Ag Backers Council. If you support the agriculture industry and youth in this area, please consider a contribution to the AG/NR program at Reedley College.

Join our group at one of four levels of membership: •Agriculture Membership •Backer Membership •Council Membership or •Life Membership. We ask that business membership join at the Backer level as a minimum; however, you may choose to join at any level.
