ECONOMICS

- Associate of Science for Transfer in Economics (AS-T)
- Certificate of Achievement in Intersegmental GE Transfer Curriculum (IGETC) (CA)

The Associate of Arts for Transfer Degree in Economics is designed for students who plan to complete a bachelor's degree in a similar major at a CSU campus. This degree will acquaint students with the fundamentals of economic thinking and the principle concepts and theories of macroeconomics and microeconomics. Additionally, the degree will offer students the math and statistics preparation required for upper division coursework in economics.

Students who wish to transfer to a UC must complete IGETC AREA 6. This can be done with 2 years of high school foreign language or college-level foreign language course.
