

INFORMATION SYSTEMS - INFORMATION TECHNOLOGY SUPPORT

- Associate of Science in Information Systems Information Technology Support (AS)
- Certificate of Achievement in Information Technology Support
- Certificate in Web Development

Students who successfully complete the program will be prepared to take the CompTIA A+ Certification exam, a certification that is recognized industry-wide as a benchmark for information technology technician certification

Students planning to transfer to a UC or CSU may need to meet additional course requirements.

Program Contact: Jason Boyer • Program Counselor: Steve Jones
