ESTABLISHMENT OF A REEDLEY COLLEGE FOUNDATION PERPETUAL SCHOLARSHIP

The Foundation is unique in its ability to provide perpetual scholarships to assist students. Individuals, firms and organizations can establish a scholarship for any reason, including to memorialize, or honor an individual.

Scholarships are paid from the earnings from the endowment once the contributions reach \$2,000.00. For example, an endowment of \$2,000.00 at 5% interest generates a scholarship award of \$100.00 per year, the minimum award given. It is not necessary to deposit the \$2,000.00 all at once. Your scholarship endowment continues to grow as new contributions are made and when the Foundation earnings grow at a rate greater than 5%.

You determine the name of the scholarship and the criteria by which it is to be awarded. A committee, made up of board members, screen and select the students who best meet those criteria.

If interested in contributing to an existing scholarship, or establishing a new scholarship, inquiries may be directed, mailed, or emailed to:
