

MISSION, VISION, AND VALUES

MISSION

Reedley College, including its centers and sites, provides an accessible educational environment ensuring high-quality innovative learning opportunities supported by services for student success. We offer associate degree programs, career technical education, transfer level and basic skills courses. We instill a passion for learning that will meet the academic, workforce, and personal goals of our diverse population.

VISION

Reedley College, including its centers and sites, will be a source of exemplary educational opportunities to foster and cultivate professional, well-prepared individuals who will contribute to our community.

VALUES

- Focus on Our Student's Success
- Strive for Excellence
- Foster Intellectual Curiosity
- Instill Personal Integrity
- Encourage Critical Thinking
- Respect Diversity
- Promote Service to Our Community

STRATEGIC DIRECTIONS: A VISION WITH VALUES

Reedley College's 2013-2017 Strategic Plan is designed to be in alignment with the State Center Community College District Strategic Plan. An expanded version of the SCCCD Strategic Plan is available online at www.scccd.edu, under "About Us." The 2013-2017 Reedley College Strategic Plan is available at www.reedleycollege.edu, under "About Us." Any updates to the 2013-2017 Reedley College Strategic Plan will be added to this webpage.

1. STUDENT SUCCESS

Reedley College is committed to empowering students to achieve their educational and vocational goals by offering academic guidance and support, career technical training, and opportunities for personal growth that will promote success.

2. STUDENT ACCESS AND SERVICES

Reedley College is devoted to providing access and services for students to obtain their educational goals (DO 2.1).

3. TEACHING AND LEARNING

Reedley College is committed to providing the highest quality instructional programs utilizing current and emerging instructional methods that focus on student success.

4. ECONOMIC AND WORKFORCE DEVELOPMENT

Reedley College is committed to being a partner in developing the economic vitality of the region through collaboration with its community partners and will strive to ensure access to quality career technical programs.

5. ORGANIZATIONAL DEVELOPMENT AND EFFECTIVENESS

Reedley College is committed to persistently improving its institutional, fiscal and technological effectiveness for each campus.

6. COMMUNICATION

Reedley College is committed to continually improving effectiveness in communication.

WHAT YOU SHOULD KNOW ABOUT REEDLEY COLLEGE

- President Dr. Sandra Caldwell: Ed.D. in supervision, curriculum, and instruction in higher education with emphasis in community colleges, from Texas A&M University-Commerce, a master's degree in statistics and a bachelor's in mathematics education from Oklahoma State University.
- Students manage an 800-acre forest at Lake Sequoia and a 300 acre-farm, the largest California community college farm
- Aviation Maintenance students work in a 20,000 sq. ft. hangar.
- Ranked #2 in campus safety in California
- One of only 11 California community college campuses with a Residence Hall
- Students have the benefit of free resources including the Student Center, Math Study Center, Writing Center, Tutorial Center, Veterans Center, and Career Resource Center.
- The Entrepreneurship Center opened in October of 2012 as a resource for students and the community. It is supported by the Reedley Rotary, the Reedley Chamber of Commerce, and the Fresno State Lyles Center.
- Agri-business students produce, market and sell college olive oil.
- Pete P. Peters Honors Program that includes small classes taught by top RC instructors, field trips, priority registration, special transfer counseling, guaranteed transfer agreements with top California universities, Honors recognition at entrance and exit, and a stipend.
- The campus sits on the Kings River and connects to Parkway Trails
- Affordable at \$46 a unit, with financial aid available to those that qualify
- 55 degrees, 49 Certificate of Achievements, 30 Certificates, and guarantee transfer agreements to 4-year colleges/universities are offered
- Ten athletic teams: football, volleyball, men's & women's basketball, baseball, softball, men's & women's tennis, men's & women's golf
- Reedley Middle College High School, a unique high school with an emphasis on business administration or agriculture business

The Madera Community College Center and the Oakhurst Community College Center are centers of Reedley College:

- The Oakhurst Center serves the foothill communities, approximately 500 students, and offers general education classes.
- The Madera College Advantage Program (MCCAP) program is designed to help high school seniors transition from high school to having a successful college experience
- The Madera Center Honors Program provides students an opportunity to be challenged with rigorous transfer curriculum to prepare them to apply for admissions at highly competitive four-year universities
- The Madera Center and Reedley College are developing an LVN-RN Step-Up program that are cohort based. It takes one summer session and two semesters to complete the program that prepares students to pass the NCLEX board exam. Madera proposes that a minimum of 90% of these students will earn their RN licenses.
