CHANCELLOR'S MESSAGE

Congratulations to the Reedley College Class of 2024! It is my honor as Chancellor to celebrate your achievements and wish you a wonderful commencement.

Today is a celebration of your dedication, perseverance, and unwavering commitment. Your hard work and sacrifices have culminated in this moment, and it is truly an honor to commemorate your achievements.

The definition of "commencement" is a beginning or start. For some, today may mark the end of your formal educational journey but the beginning of something new – a new job, a new city, a new adventure. For others, this may be a mid-point as you transfer to a four-year university.

Wherever you go in life, we encourage you all to be lifelong learners. Be curious about the world around you, be open to new experiences, and continually learn new things. We will be here when you want to explore new topics, update a skill, or take a course just for the fun of it.

When you reflect back on your educational journey, please remember and thank the people who believed in you, and whose support made this day possible. Hopefully someday, you can pay it forward, and encourage others who are on the path to a brighter future. Your story can inspire others.

Reedley College provided you with a strong foundation for life, and we hope it is everything you want. Go out and make our community, our state, and our world, a better place.

Congratulations, Tigers! You are now proud alumni of Reedley College, and we couldn't be prouder. Wishing you all the very best that life has to offer.

DR. CAROLE GOLDSMITH

Chancellor, State Center Community College District

MENSAJE DE LA Rectora

¡Felicitaciones a la Clase del 2024 de Reedley College! Es un honor para mí como Rectora celebrar sus logros y desearles una maravillosa ceremonia de graduación.

Hoy es una celebración de su dedicación, perseverancia y compromiso inquebrantable. Su arduo trabajo y sacrificios han culminado en este momento y es verdaderamente un honor conmemorar sus logros.

La definición de “comenzamiento” es un inicio o comienzo. Para algunos, hoy puede marcar el final de su viaje educativo formal, pero también el comienzo de algo nuevo: un nuevo trabajo, una nueva ciudad, una nueva aventura. Para otros, este puede ser un punto medio si se transfieren a una universidad de cuatro años.

Dondequiera que vayan en la vida, los animamos a todos a ser aprendices de por vida. Tengan curiosidad por el mundo que les rodea, estén abiertos a nuevas experiencias y aprendan continuamente cosas nuevas. Estaremos aquí cuando quieran explorar nuevos temas, mejorar una habilidad o tomar un curso solo por diversión.

Cuando reflexionen sobre su trayectoria educativa, recuerden y agradézcanle a las personas que creyeron en ustedes y cuyo apoyo hizo posible este día. Con suerte, algún día podrán retribuirlo y animar a otros que están en el camino hacia un futuro mejor. Tu historia puede inspirar a otros.

Reedley College les brindó una base sólida para la vida y esperamos que sea todo lo que desean. Salgan y hagan de nuestra comunidad, nuestro estado y nuestro mundo un lugar mejor.

¡Felicidades, Tigres! Ahora son orgullosos exalumnos de Reedley College y nosotros no podríamos estar más orgullosos. Deseándoles todo lo mejor que la vida tiene para ofrecerles.

DR. CAROLE GOLDSMITH

Rectora, Distrito de Colegios Comunitarios del Centro del Estado

DISTINGUISHED ALUMNUS AWARD

HAROLD MCCLARTY

Harold McClarty, founder of HMC Farms, is a graduate of the University of California, Santa Cruz. He is a leader in the agricultural industry, serving as a board member for the Western Growers Association, executive board member and former chairman of the California Fresh Fruit Association, an elected commissioner of Table

Grape Commission and a member of the Center for Produce Safety.

The McClarty family has been farming tree fruit and grapes in California's Central Valley since 1887. In 1987 Harold McClarty established the HMC Farms group of companies, growing his father's original 40 acres into a fully vertically integrated, international operation that is one of the largest tree fruit and value added grape suppliers in the United States. HMC Farms has four locations in California, and internationally in Chile, Mexico, and Peru.

While HMC Farms has grown dramatically, Harold is still a family farmer. Harold and his wife Deborah have two children —Jonathan and Chelsea—who, along with their spouses Sarah and Drew, are actively involved with and integral to the operation of the business.

Harold has a passion for education and served on both Boards of Trustees of the UC Davis Foundation and the State Center Community College Foundation. He has a strong connection with UC Davis, alma mater of his wife Deborah. Harold and Deborah have worked closely with, and provided support to, UC Davis projects that promote all facets of California Agriculture from the people that work the farms to the technological changes we will see in the future. The McClarty Family Foundation's donation to Reedley College provides educational opportunities to Harold's hometown through the McClarty Center for Fine and Performing Arts.

Because of his industry leadership, commitment to education, and philanthropic efforts through the McClarty Family Foundation, Harold has been honored with numerous accolades; of note are the Farmer of the Year, Agribusiness Leader of the Year, Outstanding Business-Education Partnership Award, and the Nisei Farmers League Ag Business Award.
