Intersegmental General Education Transfer Curriculum (IGETC)

The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that prospective transfer students attending California Community Colleges (CCC) may complete to satisfy the lower-division general education (GE) requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and even out-of-state colleges and universities also accept IGETC. IGETC is most helpful to students who know they want to transfer but have not yet decided upon a particular system (UC or CSU), institution, or major. Students intending to transfer into majors that require extensive lower-division preparation, such as engineering or the natural sciences, should concentrate on completing the prerequisites for the major while meeting minimum admission requirements.

The above courses are **IGETC APPROVED FOR REEDLEY COLLEGE ONLY**. Students completing courses at other California Community Colleges, in particular Fresno City College, Clovis Community College, and Madera Community College, should carefully review course differences in IGETC placement on www.ASSIST.org

IGETC Certification

Students who have completed courses at more than one CCC should have their coursework certified by the last CCC they attended for a regular term before transfer. It is the student's responsibility to request IGETC Certification. Students can request certification through the Reedley College Transfer Center website <https://www.reedleycollege.edu/student-services/counseling/transfer-center/transcripts-igetc-certification.html>

Partial IGETC Certification

California Community Colleges may grant partial certification of IGETC to students who are missing no more than two requirements. Students should verify that their UC school/college/major program will accept partial certification. After transfer, students submitting partial IGETC certification should complete the missing requirements at either UC or a California Community College as designated by their department. Students who have been granted partial IGETC certification should not return to the community college for a full certification.

GE Credit by Exam

Credit may be earned for Advanced Placement (AP) exams and International Baccalaureate (IB) Higher Level exams toward IGETC, in accordance to [UC policy](#). Students should be aware that college courses may duplicate the content of examinations. The University may not award credit for both the course and the exam. Some UC campuses may require higher exam scores for subjects within the major. Refer to the campus regarding how AP credit is granted for each major. CLEP exams are not accepted for IGETC.

Courses Completed at Other California Community Colleges (CCC)

Courses taken at more than one CCC may be used to fulfill IGETC. Coursework may only be applied in the IGETC area it was approved at the community college where it was completed. Refer to www.ASSIST.org for a list of CCC courses that satisfy IGETC requirements.

U.S. History, Constitution, and American Ideals for CSU only

A U.S History course (HIST 11, 12, 12H, or 22) and a U.S. Government (including California) course (POLSCI 2 or 2H) is required for CSU graduation. Though not required to complete IGETC, these courses may satisfy AREA 3B or AREA 4.

Ethnic Studies for CSU only

Per AB 1460, students who begin enrollment in fall 2021 and returning students who re-enroll in fall 2021 after losing catalog rights are required to complete an approved Ethnic Studies course for CSU graduation.

CERTIFICATE OF ACHIEVEMENT: IGETC for CSU (R.3100.CA) / IGETC for UC (R.3200.CA)

Students who complete the IGETC pattern and meet the residency requirement are eligible to apply for the Certificate of Achievement for **IGETC for CSU** or **IGETC for UC** from Reedley College through Webadvisor.
